### RHCA Meets April 29 at Library, Membership Roles Lag for 2014

The Rose Hill Civic Association will meet on Tuesday, April 29 at 7 p.m. in the community room of the John Marshall Library. Updates on community issues, including the church proposal for the silo property on May Boulevard and the landslides at the lower end of Rose Hill Reserve will be presented. We also need to vote on the proposal to update our community signage. Other issues will be discussed as they come up. Refreshments will be served.

At this point, we are behind our normal number of members. Take a look at Page 11 of this edition of the Rambler. If your name is not listed, please fill out the form on page 10 and either bring it to the meeting or mail it to RHCA at Box 10891, Franconia, VA at your earliest convenience. If you think you have joined for 2014 and your name isn't listed, please let us know immediately.

Without wide community support, we cannot continue to publish the Rambler nine times a year, pay for the Post Office box, fund the Rose Hill Beauty program and the signage updates, as well as support several local charities. In addition to the membership fee of only \$10, consider

making a contribution toward the seasonal planting program at our Rose Hill Drive and Franconia Road entrance or the general fund. The amount of dues is limited by the adopted bylaws of the organization.

Funding is necessary for fixed costs only. The Rambler is delivered by a network of volunteers and no one acting on behalf of RHCA receives any compensation. We also have an active Neighborhood Watch program that is the eyes and ears of our community for the local police. We also report zoning issues such as overcrowding, piles of trash and general disrepair at specific addresses.

If you care about the value of your property and the overall appearance of the community in which you live, you can help by becoming a member of RHCA. The County listens to communities that are well organized and versed in the application of the law. The police, fire marshals and zoning inspectors can't be everywhere, so it's up to us to report potential violations.

If you really want to mark Rose Hill as a safe community for traffic, consider making every effort to keep your speed at 25 miles per hour on Rose Hill Drive. That will slow down those who are in a hurry and help protect your neighbors.

## Rose Hill Beauties

The flowers are blooming and it's time to look for Rose Hill Beauties! Everyone can help make sure no deserving address goes unrewarded. If you think you or your neighbor's property

qualifies as a Rose Hill Beauty, let the Rose Hill Civic Association know. Call or e-mail Linda or I and make a nomination. However, remember only members are entitled to the coveted Rose Hill Beauty signs.

Beauty is in the eye of the beholder and we need all the eyes focused on searching for properties that help Rose stand out among or neighboring communities. There are no rules, but we suggest nominations be limited to those that look good overall. That means a neat yard, flowing plants and shrubs with no debris to detract from the overall beauty.

The addresses of all those receiving recognition will be published in the Rambler. Signs will be erected in the front yards of those who are members of RHCA. Check to see if your name is listed as a member in this issue of the Rambler. If not, make sure you join or renew as soon as possible.

Please take the time to look around the community and help make sure no property is overlooked. Your nominations are critical to the success of the program.

### **Signage Update**

At the March RHCA meeting, there was discussion concerning updating our community entrance signs to mark our 60<sup>th</sup> anniversary in 2014. It was decided to investigate the cost of the new signage before proceeding. There is a large sign at our entrance at Franconia Road and Rose Hill Drive and six smaller signs at the other entrances to our community. The smaller ones are located at Split Rock and Telegraph, Rose Hill and Telegraph, Willowood and Telegraph, Climbhill and Telegraph, and Leewood and Franconia. The other sign is located on Rose Hill Drive at the Library. The cost of replacing the large sign at Franconia and Rose Hill Drive will be \$550. The smaller ones will be \$175 each. The prices include production and installation. Our 50-year signs have held up well over the last 10 years but are beginning to look a little shabby. Replacement of the signs will allow us to update our history and give the community entrances a fresh look. We will discuss and vote on this project at the April 29<sup>th</sup> meeting. In the meantime, we need to increase our membership

rolls for 2014 in order to complete all of our normal yearly projects.

On another signage issue, we already have decided to add more names to a new panel of Rose Hill Originals and 50-year residents on the display on Rose Hill Drive in front of the library. That will cost \$125. If your house was built and you occupied it 50 or more years ago, or if you have lived in Rose Hill for 50 years, please make sure we have your name. Many from the 1950s already are on the sign so we are looking for originals from the 1960-1964. If you are like me and have lived in Rose Hill for 50 years but are not an original homeowner, we'd also like to hear from you. We have many names, but want to make sure we have them all. This will be the last call before we order the sign!

### **Added Circulation**

Starting with this edition, the Rambler will be delivered to every home in the new Rose Hill Reserve section. The Homeowners Association president, Candy Watts, will organize the distribution. There are many issues that are common to both communities, so Candy and I thought it would be a good idea to keep both neighborhoods informed about each other. Rose Hill Reserve already has become acquainted with the rigors of marine clay! Membership in the HOA is mandatory for Rose Hill Reserve homeowners because of the way the community is set up. RHCA is a volunteer organization. Already some Rose Hill Reserve homeowners have joined our association because they see it is in their best interest to do so. We need each other when it comes to discussing issues with County, State and Federal representatives. RHCA is NOT a political organization, but we do fiercely protect the interest of our members in local emergency, zoning and other government service issues. So, welcome to our community, Rose Hill Reserve homeowners. We hope to see you at our meetings, held on the fourth Tuesday of each month except July, August and December, usually at the John Marshall Library starting at 7 p.m. We also join the nationwide Night Out event to support our first responders on the first Tuesday in August at the home of Dave and Linda Nichols at 6414 Rose Hill Drive. RHCA

provides hot dogs, drinks and paper products and asks members to bring a side or dessert. Make sure we have your e-mail so we can remind you of this event. You'll get to meet representatives for our local police, fire, sheriff and county supervisor's officers. We also have become famous for our annual Fish Fry at the June meeting, also held in the Nichols' front yard. RHCA provides the fish and you bring the sides and desserts! More on that in the May and June Ramblers.

### **Spring Cleanup**

We have been through a particularly tough winter and much debris remains in our community. As you work to spruce up your own property, please take some time to clean the trash, etc. on and near the sidewalk and in the roadways and gutters. If you have an elderly neighbor who can't pick up the trash, volunteer to do it for them. Our neighborhood is judged attractive by outsiders when there is a lack of trash, rundown properties and junk cars in our midst. If everyone concentrates on keeping their property clean, it will increase the value of individual homes. Nothing detracts from a street or block like a run-down or trash strewn property. And don't hesitate to contact the County or RHCA if you think a property has been neglected or overcrowded to the point that it affects the value of you and your neighbors. Also, those of you fortunate enough to have sidewalks in front of your house are reminded to keep bushes and trees trimmed so they don't get in the way of the many people who love to walk for exercise. Please don't make your neighbors have to dodge trash, debris, trees and bushes in order to enjoy walking in our community. Finally, a pat on the back to those who live on Rose Hill Drive and keep the grass between the sidewalk and the road mowed even though they don't own it and can't park on it. For your information, the Rose Hill apartments keeps the grass cut in the median all the way from Rose Hill Elementary to Franconia Road as a contribution to the entire community.

### **Volleyball**

Join Dave and Linda Nichols at the volleyball courts in Lee District Park starting Thursday, May 8 and every Thursday thereafter at

6 p.m. for a vigorous workout. Everyone is welcome to join the fun. The games last all summer and have become a popular attraction. No experience is necessary. This is a great way to meet your neighbors, have some fun and get in a good workout.

### **Beach Rental**

I have a week open in August to rent my condo in Ocean City, Maryland. The condo is available to Rose Hill Civic Association members only at a special price if you agree to leave it clean for the next person when you leave. The rental week runs from Sunday to Sunday to avoid the weekend traffic. The two-bedroom, two-bath condo is located four blocks from the beach and has cable television. The small condominium project has a pool and is located in a quiet residential neighborhood. It is ideal for a family of 4-5 persons. Give me a call at 703-971-4716 or e-mail me at [sellcarl@aol.com](mailto:sellcarl@aol.com) for additional information.

### **Local History Tour**

Our area is brimming with historic sites and the Franconia Museum invites you to visit some of them this summer. The Museum is planning bus tours with stops at nearby Belvale, Sharon Chapel, Ashland and the Laurel Grove Colored School. The tours will be approximately two and one-half hours long and will include information about each site during each stop. The tour will end at Nalls Produce on Beulah Street for hot dogs and soft drinks and a talk about Franconia's agricultural history. There will be morning and afternoon tours on a Saturday this summer. The date will be announced in the May Rambler. Either ride a bus or van for this close up look at history at our doorstep. Belvale, nearby at 7701 Telegraph Road, was built in the 1760s by George Johnston, a member of the Virginia House of Burgesses and legal advisor to George Washington prior to the American Revolution. Sharon Chapel on Franconia Road near its intersection with Telegraph Road dates back to 1848. It was burned by Union troops during the Civil War and then rebuilt using wood from nearby Fort Lyon, now the site of the Huntington Metro station. The log portion of

Ashland in Franconia dates back to 1845 and was part of a 195-acre farm. The house served as a hospital during the Civil War. The restored Laurel Grove Colored School on what is now Beulah Street was the education center of a community founded by former slaves at Mount Vernon. The cost of the tour will be \$25 for members of the Museum and \$35 for others. The Franconia Museum is located in the Franconia Government Center and is open Monday, Tuesday, Wednesday and Saturday from 10 a.m. to 2 p.m. Visit the Museum for a look at the past of the area in which you live.

## Expert Roof Repair/Replacement, Gutters too!

Residential & Commercial: Expert Repairs & Installation of All Types of Roofing at Fair Prices

### SIX Common Misconceptions about Roofing and the Roofing Industry:

**Misconception #1.** You should wait as long as possible to re-roof your home.

**No!** Your roof takes a beating every day from sun, wind and rain. Your shingles become brittle and crack with age and have a tendency to blow off and fail at an alarming rate with age. This exposes the roof decking (the sub-structure that literally, "keeps you out of the rain") to moisture which slowly deteriorates and rots the wood beneath, leading to leaks and more extensive damage.

Further, the metal flashings around chimney areas and at adjoining exterior walls (or rooflines), the penetration collars (around plumbing and heat stacks) and all other vents become worn and prone to water infiltration.

Next time you're outside, take a close look at your roof (most people don't pay attention to it until there's a problem). How does it look? Is it rough and weathered? Are the shingles "curling" or cracking? Is one section very distinguishable from all other areas? Finally, are you proud of the way your roof helps "show" your home, or are you embarrassed by its appearance?

**Remember:** By the time you have waited "as long as possible," you have probably waited too long and will end up spending your hard earned money on interior and sub-structure repairs, as well as a much needed roof replacement.

To see all six misconceptions, visit [www.bguide.net/timothysroofing](http://www.bguide.net/timothysroofing).

Call Russ Robertson (manager) to schedule your FREE estimate on a new roof.

Residents of Rose Hill Community,

My name is Candy Watts and I'm not only a Real Estate Agent for your area, but a proud member of our Rose Hill Community and Association! I've lived and worked in this beautiful area for more than twenty years now, so I'm extremely familiar with the neighborhood and surrounding locations.

As a resident of Rose Hill, I have a vested interest in the value of our homes today and in the future. So, it is always in my best interest to ensure you receive the highest possible selling price for your home. And, I am more than just your average Real Estate Agent. I am also a Certified Residential Real Estate Appraiser serving Virginia, Maryland and the District of Columbia.

When you are interested in testing the market, let me know and we can review sales prices for similar homes that have sold in our area. We can also review current listings and properties under contract. Here is a list of the real estate activity since 1 January for Rose Hill.
