## President's Message

### **Election, Kindercare, Budget on March 23 RHCA Agenda**

The Rose Hill Civic Association will elect officers for 2010, discuss proposed hours of operation for the Kindercare on May Boulevard and finalize its position on the Fairfax County budget at its monthly meeting on Tuesday, March 23. The meeting will be held starting at 6:30 p.m. in the community room of the John Marshall Library. Also on the agenda is a presentation by the Friends of John Marshall Library.

The Board of Supervisors will set the tax rate for this year sometime in late April. More information is available in a later article. Bring your questions and opinions with you Tuesday night. Refreshments will be served.

The Kindercare facility on May Boulevard has asked the County for a Special Exception to continue its current operation. The approval previously in place allowed operations to be conducted 24 hours a day, seven days a week. At its January meeting, RHCA asked that the hours be limited to those currently observed by Kindercare. The owner of the property previously had indicated he did not want to give up the 24/7 approval. However, things have changed and we expect to be presented with an agreement on

hours and days more in line with our concerns. RHCA has voiced no objections to continuing the operation as long as the hours are consistent with the current practice.

The election is mandated by our bylaws. Nominations will be accepted from the floor. Only members are eligible to vote. If your name is not listed in this month's Rambler and you wish to vote, fill out a membership form and bring it, along with your check, to the meeting. The current officers will stand for reelection.

### **Budget, Tax Update**

On Monday, March 8, the Board of Supervisors voted to advertise a tax rate for the fiscal year starting July 1, 2010 that would raise the 2009 rate (\$1.04) by eight cents to \$1.12 per \$100 of assessed real estate property value. The County Executive earlier had presented a budget with a \$1.09 per hundred tax rate but proposed the Board advertise an eight cent increase in order to maintain flexibility in changes to the budget. Of course, the County Executive's proposed cuts set off a firestorm of protest from special interests that no doubt will be heard at the public hearings on the budget April 6, 7 and 8. What does all this mean to the taxpayer? Real estate assessments have declined approximately six (6) percent. If the eight-cent increase were to be adopted, that means the average taxpayer's bill would increase by approximately \$81. If the five-cent increase is adopted, the average bill would decrease approximately \$49.00. In addition, the

*Continued on Page 2*

proposed budget includes a \$33 'sticker' fee for each vehicle and a 77-cent increase in the sewer service fee per 1,000 gallons from \$4.50 to \$5.27. The personal property rate will remain at \$4.57 per \$100 of assessed value.

On two occasions, the Rose Hill Civic Association has voiced its preference to maintain the total tax bills the same as last year, realizing that although their property values would fall, tax bills would not. The Association preferred NOT to cut funds necessary for public safety and noted that while schools accounted for 54 percent of the total budget, other agencies were being asked to bear the brunt of reductions.

We will finalize our community position on the budget at the March 23 meeting. This is our chance for homeowners to be heard by the Board of Supervisors who will be overwhelmed by special interests at the upcoming hearings. Please join us and participate in this important debate.

## **Last Call for Membership**

Our membership drive for 2010 ends this month, although we'll accept new members at any time! It is important that we end the first quarter with enough memberships and donations to continue our work through the rest of the year. We don't EVER get enough memberships to pay all the bills, so we depend on the added support of those who join. Remember, there will be NO Rambler if we don't have enough members to pay the bills. We operate on a shoestring with volunteer labor. Our fixed costs are the printing of the Rambler, post office box, and Virginia corporation fee. We support the Rose Hill Beauty programs (signs for members only) and several local organizations. The funds for the plantings and maintenance of the entrance sign come from donations (THANK YOU). It has been suggested that we raise our dues to pay for all that we do. It would take an amendment to our bylaws to raise the dues, so that isn't coming anytime soon. Most people I talk to think they are members of RHCA even if they haven't joined. Please support the organization that supports your community. All we ask is \$10 plus whatever donation you feel appropriate. The membership form is on page 4 OR, you can print one online at [myrosehill.com](http://myrosehill.com).

## **Beauties and Beasts**

We'll be looking for Rose Hill Beauties starting in late April. Properties that are well maintained and owned or occupied by members will receive the coveted Rose Hill Beauty sign. All properties selected will

be listed in the Rambler. If you earn a sign, make sure you are a member. At the same time we are looking for beauties, we'll be looking for problem properties. Violations of County ordinances will be reported to the proper agency. If you have trash or an inoperable vehicle on your property, please make sure it is removed this spring. If you don't cut the grass, the County will do it for you and send you a large bill. We also will be looking for overcrowding in violation of the occupancy rules. Rose Hill is zoned R-3 which is described as a single-family community. Subdivision of houses for separate multi occupancy is illegal. Please help maintain the value of all our homes by keeping your property looking good.

## **A Hidden Treasure**

The Washington Examiner featured Rose Hill on the first page of its Real Estate section on Thursday, March 4, 2010. If you missed the article, go to [myrosehill.com](http://myrosehill.com) and click on the electronic version listed under Rose Hill news. The article was very well done and was a huge plus for our community. Those of us at RHCA like to think our collective efforts help make our community a 'hidden treasure'. It's nice to be recognized. We also are thrilled to have Connie Beatty as our spokesperson. And, no, I didn't ask her for that wonderful plug (where do I send the check, Connie?). You'd be surprised at the number of inquiries we get about Rose Hill from persons who are interested in buying a home here. The word has gotten around that Rose Hill is a great and convenient place to live. We are serious about keeping it that way. Make sure you support our efforts by joining RHCA in 2010.

## **Beware of Spring Scams**

Both RHCA and the police remind you that spring brings out the scammers who want to trim your trees, resurface your driveway, repair your roof, etc., etc. Reputable business people aren't out knocking on doors as they obtain work by advertising and word of mouth about a job well done. If someone does come to your door, ask to see their Fairfax County solicitor's license. If they don't have one, call the police non emergency number at 703.691.2131. If you can get a license number of their vehicle, so much the better. The police have a long list of horror stories about work being paid for and not being completed or being substandard. If you need work done, ask your neighbors or business professional group for references. We have a number of excellent businesses here in Rose Hill that stand ready to assist their neighbors at a fair price.

## Crime Statistics

The Fairfax County Police report that overall crime decreased by 4.5 percent in 2009. There were almost 1,000 fewer incidents than 2008. The only category that increased was for rape, which went from 95 cases in 2008 to 105 in 2009. There were 14 murders as compared with 22 the previous year. Robbery decreased from 450 to 386, aggravated assault from 386 to 309, burglary from 1,438 to 1,385, larceny from 16,244 to 15,645 and car thefts from 1,288 to 1,096. The police attribute the overall decline to a focus on repeat offenders, who historically commit a high percentage of crimes. Colonel David Rohrer, Chief of the Fairfax County Police Department, said he was particularly pleased with the 15 percent decrease in violent crime. Here in Rose Hill, we thank our diligent members of Neighborhood Watch who help keep us safe. If you would like to join the watchers, give me a call. The more we have, the less chance there is that a crime will occur.

- Carl Sell

## The Tax Man Cometh

Just as sure as we were that the snow would finally melt we knew this day would come. April 15. Be sure your tax returns or extensions are **postmarked** by midnight **April 15, 2010**.

## *Snow White & the Seven Dwarfs - the musical presented by Rose Hill Elementary School*

All our old friends, plus a few new ones, are here in this marvelous musical adaptation. We'll meet the captivating Princess Snow White, the prince, the evil queen and, of course, the seven mischievous dwarfs—Sarge, Gabby, Gloomy Gus, Ticklish, Spritely, Snore, and Slowpoke. There's also a hilarious palace cat and an enchanted vixen—a fox, you could say! Following the traditional storyline, the fairy tale is brought to life with an eclectic score of toe-tapping tunes.

This is a full-scale, musical production performed by K-6th graders with beautiful sets and costumes. The show is suitable for all ages.

When: Friday, April 9, 2010 at 7:00 pm & Saturday, April 10, 2010 at 7:00 pm

Where: Hayfield Secondary School (7630 Telegraph Rd., Alexandria, VA)

Tickets: available at the door (Adults \$5; Children \$3. Concessions available for purchase.)

## Making Sense of the Census

It's hard to believe another decade is in the books! As a requirement of The United States Constitution, every household in America and Puerto Rico will receive a Census form. When you receive yours, just answer the 10 short questions and then mail the form back in the postage-paid envelope provided.

Why answer the Census? The Census, conducted every 10 years per the Constitution, affects the numbers of seats your state occupies in the U.S. House of Representatives. And people from many walks of life use census data to advocate for causes, rescue disaster victims, prevent diseases, research markets, locate pools of skilled workers and more. Better infrastructure. More services. A brighter tomorrow for everyone. In fact, the information the census collects helps to determine how more than \$400 billion dollars of federal funding each year is spent on infrastructure and services like:

- Hospitals
- Job training centers
- Schools
- Senior centers
- Bridges, tunnels and other-public works projects
- Emergency services

If you haven't received your Census package yet, look for it in the coming weeks.
