RHCA to Honor Community Veterans at Special Memorial Day Meeting

Although its monthly meeting will be one day after Memorial Day 2008 is celebrated nationwide, RHCA will honor and remember our veterans and those currently serving in the Armed Forces. The May meeting of the Association will be held on Tuesday, May 27, at 7pm in the community room of the John Marshall Library. All living veterans and those currently serving are invited to attend and share their experiences. We also will honor the memory of those who lost their lives while serving their country or subsequently passed away with a special moment of silence and thankful recognition of their sacrifice.

If you have been looking for a public way to show your support for our veterans and current troops, plan to attend this special meeting. Those who served their Country, particularly those who gave their lives in order to keep us free deserve our gratitude and respect. Join your friends and neighbors in honoring them as part of our Memorial Day program.

As a special feature, we will hear from a member of the Armed Forces who recently returned from Iraq.

Here's a chance to hear a first-hand report from someone who has served in Iraq and interacted with the Iraqi people.

Information will be available on the World War II, Korean, and Vietnam Memorials on the Mall in Washington. Hopefully, we will have a DVD presentation that shows overseas cemeteries such as Normandy and other World War II and World War I final resting place of those who gave their lives.

Refreshments in the form of cake and ice cream will be served to those who attend. Please join us in honoring our veterans, hear some of their experiences, and share camaraderie with your neighbors.

Rose Hill Beauties

The rainy start for the Spring of 2008 has produced a bumper crop of Rose Hill Beauties! Flowers bloomed in a dazzling array of color in our community. Although the rain played havoc with grass-cutting operations, it also produced lush, green lawns that accented the flowing shrubs. The list of properties being honored as 'Rose Hill Beauties' appears on Page 3. Congratulations to those who were selected. The judges readily admit they made have missed someone, given the magnitude of our large community. If you think your property or that of your neighbor should be on the list, call any of the RHCA officers, and the judges will take another look. Remember, only members of RHCA receive the coveted Rose Hill Beauty signs to display in their yard. In an effort to

Continued on Page 2

save money, we will update the year with stickers for those who have saved their sign from last year. If you still have your sign, please leave it in place so we can update the year. We'll be around soon with signs and stickers. During the year, we spend a lot of time reporting violations at addresses that do not present our community in a positive light. It is with great pride that we note that one of this year's 'Beauty' winners was formerly a problem address. If we see or hear about a problem, we report it. At the same time, we are pleased to give a pat on the back to those who keep their properties looking great and help make Rose Hill a great place to live.

Lower Assessment? Thank a Member

Many Rose Hill property owners have received a third notice from Fairfax County that actually lowers the assessed value of their property and, therefore, could mean lower taxes even though the annual rate has been raised three cents. This welcome, if not unprecedented, news is a direct result of our RHCA meeting with the tax assessors in March. A large, orderly, and vocal crowd of RHCA members convinced the County representatives that prices had fallen more than the County estimated. As a result, a new analysis of home prices in Rose Hill showed that values had gone down and, therefore, the assessments should also decrease. It all goes to prove that you can fight City Hall and win if you are organized and have the facts on your side. Although assessments and taxes are a volatile issue, our members were extremely respectful yet forceful in their discussions with the representatives of the assessor's office. As a result, most everyone in Rose Hill came out a winner. If you ever wonder why it is important to have an effective Civic Association, this issue should erase any doubts. We continue to work on numerous issues that directly affect our community. Resolution of problems most often takes time, but we usually are successful. If you are not already a member of RHCA, won't you help by joining the team? If you are unsure if you are a member or not, check the membership list at myrosehill.com.

Police Activity

There were two incidents involving numerous police in Rose Hill within the last month. On April 24, police charged a 14-year-old for bringing a knife onto school property at Rose Hill Elementary. The incident occurred around 5:30pm after school had closed for the day. The youngster was being questioned on a separate, unrelated incident when officers discovered a knife in a flower pot. The suspect was sitting beside the flower pot and allegedly buried the knife in the soil. In the other event, which happened in the afternoon of May 6, a subject with an outstanding warrant was arrested on Telegraph Road across from Split Rock Road after a search that involved officers, the canine corps, and the police helicopter. The subject fled a known location before the officer's arrival but later was taken into custody without incident.

Reporting Violations

A growing number of Rose Hill residents have joined in RHCA's campaign to report various violations of zoning, excessive noise, high grass, unlicensed vehicles, and vehicles that have out-of-state license tags. For zoning violations such as overcrowding, vehicles parked in the front yard, trash or debris, code violations such as construction without a permit, illegal business operation, call zoning enforcement at 703.324.1300. Use the same number to report excessive noise, including barking dogs, between the hours of 8am and 4:30pm, Monday through Friday. For all other times, call the police non-emergency number at 703.691.2131. If grass at a specific address is more than 12 inches tall, the number to call is 703.324.1937. For inoperative, unlicensed, or lack of valid inspection sticker on vehicles parked on the street, call 703.691.2131. If they are on private

Continued on Page 3

property and can be seen from any property line, call the police traffic division impound section at 703.280.0587. It is illegal to park cars on the median strip between the sidewalk and the street on Rose Hill Drive. If you see a violator, call the police non-emergency number at 703.691.2131. You can report vehicles that are parked in our community for any length of time that have out-of-state license tags. Report them online at fairfaxcounty.gov/dta. Click on

other tax information, then on tax evaders to call up the reporting form. If you are uncomfortable reporting any violation, contact RHCA and we will file a complaint in the name of the Association. In some cases, we will send a friendly letter to the homeowner, particularly if it is a first offense. Our collective diligence will result in maintaining Rose Hill as a great place to live.

Attention Seniors: Fairfax County Police Want You!

The Police Department is reaching out to county residents over 55 years of age, who are interested in serving on new Seniors and Law Enforcement Together (SALT) councils. These groups will serve the important function of helping to enhance the relationship between law enforcement and this fast-growing demographic.

The focus of the new councils will be to enhance law enforcement's response to crime-related issues experienced or feared by older residents. The Police Department wants to hear first-hand from older residents about any of their unmet needs and quality of life issues. It is anticipated that these councils will play an important role in helping guide police department programs and policies.

Potential members should be willing to express their concerns about crime issues and may be asked to help share police-related information with their peers. The councils will be based in local police districts, with meeting times and spaces to be coordinated with local district officers. Police plan a training component to the councils to help new members better understand the police department and its function in the community.

The Fairfax County Police Department places a high priority on meeting needs of the senior community and welcomes them into their planning process.

For more information on SALT councils, or to volunteer, call 703.246.4564. You will be directed to your local crime prevention officer.

Dear parents of juniors, sophomores, and freshmen: We need a few hours of your time to help ensure that this year's graduates are not casualties of drinking and driving after their graduation. Each year for the past several years an "all night grad party" has been held to allow students to celebrate their graduation in a fun filled, safe, and alcohol-free environment. so that parents of graduates can attend the graduation ceremony and other important events relating to the graduation. We need people to put bags of goodies together for graduates to take home at the end of the party. This task involves teams of approximately four people to work two to three hour shifts from 4pm to 5am, June 13 - June 14. Through the evening students will be bringing items to place in their respective bags, and eventually collecting them to leave. Volunteers will need to be there to keep items properly managed and accounted for. Come out, and support this year's seniors so that you can relax in the knowledge that your child is safe after his/her graduation in coming years. If you can help, please sign up with Carolyn Blackman, cblack7376@cox.net and/or relton30857@cox.net. It's a simple job that makes such a difference. Thanks in advance.
