## President's Message

### Rose Hill Beauties Announced

#### Lots of Rose Hill Beauties!

Of the 171 homes that have been designated "Rose Hill Beauties," 99 belong to members of the Rose Hill Civic Association. The latter will receive the familiar red and white yard signs or update stickers as soon as they are printed and delivered to the winners. Since members' dues pay for the program, it is only fair that only members receive signs. The entire list is printed on page 4 of this month's Rambler. Of course, there are many repeat winners, because those who have pride in their yard don't usually lower their standards. However, there are a number of new "Beauties" this year, making the program and recognition even more important. Those of you who remember the mess previously at the corner of Roundhill Road and Willowood Lane will know what I mean. We now have a "Beauty" at that location! If you are receiving a sign for the first time, remember that RHCA recycles, so save it for next year and we'll update the year. Many of you will receive new signs this year because the last two harsh winters have been hard on our signs. Can't have ugly beauty signs, now can we? If you think the judges overlooked your property or that of your neighbor, please let Linda or I know and we'll ask them to take another look.

#### Remembering Terrie Dacales

The May meeting of the Rose Hill Civic Association will be dedicated to the memory of Terrie Dacales, our former Vice President, who died last month. Come and join us at 7 p.m. on Tuesday, May 24 and share your recollections of Terrie. She always liked to tell or hear a good story, so it is fitting we honor her in this way. It is also fitting that the meeting will be held at Rose Hill Elementary School. Terrie was a Fairfax County schoolteacher for 30 years and lived in Rose Hill for the same amount of time. Although she moved to a larger house nearby in order to care for her ailing husband Gus, Terrie never really left Rose Hill. She served the Civic Association and visited her friends here often. Gus died in 2001 and Terrie became ill in 2004. We will celebrate Terrie's heritage with some Greek snacks and good fellowship. If necessary, there will be a short business meeting.

#### If You See Something.....

.....SAY SOMETHING! Just because Osama bin Laden is dead, we can't relax our vigilance to combat terrorism. If something seems out of the ordinary, it probably is either criminal or terrorist related. Help protect your country and your community. Report suspicious activity. Call either the Fairfax County Police non-emergency number at 703-691-2131 or the Joint Terrorism Task Force in Washington at 202-278-2000. Of course, if you see a crime in progress or an immediate threat, call 911! Tips from concerned citizens have thwarted criminals and would be terrorists. If you see someone taking video or pictures of buildings or any type of transportation facilities, let the authorities know when and

where. Get as good a description as you can and watch for vehicle license numbers. Put the non-emergency police number and the JTTF numbers in the memory of your home and cell phones.

### **Rose Hill Reserve Update**

Instead of building houses, work continues to stabilize the soil at Rose Hill Reserve. Frankly, it has become a nightmare with no end in sight. On the lower portion, work is ongoing to repair the slides on the hillside and install more deep piers to hold the hill in place. The rest of the site remains one huge earth-moving operation as the developer tries to cope with marine clay. Each pad site for a new house requires the removal of clay and the installation and compaction of new soil before anything can be built. The trucks that we thought would be gone continue to roll on and on. Since the drivers are either independent contractors or are working for a company with a short-term contract, none give any thought to how much they are disrupting the neighbor's lives. Slower speeds and more care would be welcome. They spew dirt up and down Rose Hill Drive and the street sweeper that is supposed to clean up the mess only succeeds in raising more dust and throwing more rocks in the neighbor's yards. Despite our best efforts, it has become a losing battle. The only consolation is the fact that the developer is depleting his pocketbook learning the hard way what we already knew about marine clay. Of course, we're not engineers or developers, we just live here! And they thought they knew better than us. HA!

### **More Members**

Here are the names of residents who have joined since last listing in the April Rambler. We still have room for you. If you aren't sure if you're a member for 2011 or not, give me a call at 703-971-4716 or e-mail me at [sellcarl@aol.com](mailto:sellcarl@aol.com) and I'll check the list! There still are hundreds in the community who have not joined RHCA. We know you support our efforts, now all we need is your name on a check proving it! You can obtain a membership form on line at [myrosehill.com](http://myrosehill.com). Welcome to Hafiz Ahmed, 6630 Telegraph Road, Carol and Sal Guzzetta, 6407 May Boulevard, Erin and Jose Alfaro, 4524 Apple Tree Drive, Ron and Nancy Buzalsky, 4434 Roundhill Road, Carl and Margaret Bon of 5001 Eastchester Circle,

Robin and David Dodson of 6400 Wayside Place, Beverly Eppolito of 6217 Driftwood Drive and Linda Funn of 6319 May Boulevard. Also, June and Steve Lefler of 6424 Carriage Drive, Paulette and Stanley Martin of 4517 Lark Lane, Mark and Natalie McBride of 4421 Roundhill Road, D.M. Miller of 6703 Greendale Road, Rodney and Kathy Palmer of 6101 Leewood Drive, Garry and Joy Relton of 4515 Roundhill Road, Arlene Shaprio of 6216 Driftwood Drive, Evelyn Torres and A.R. Roberts of 4901 Silo Road and Walter Zalatoris of 6009 Cottonwood Drive. Thanks to all who have put their shoulder to the wheel for Rose Hill.

### **Transportation Update**

You may have read or heard that the Commonwealth of Virginia has funded a multi-billion dollar road transportation program. Included are widening of existing roads and construction of new ones, more bike and pedestrian trails, support for Metro and Virginia Railway Express. All true, but there is nothing new for our immediate area. In fact, information has come to light that the proposed flyover at Franconia Road and South Van Dorn Street has been put on the back burner and what funds were available for that badly needed project have been reallocated. We have suggested that lane separators be installed between the left turn and through lanes on South Van Dorn so those who get in the left lane are forced to turn left and can't block traffic by waiting to go straight. We can report that the County has stepped up and funded a \$10 million effort to help unsnarl the mess at the Telegraph Road/South Kings Highway/ South Van Dorn Street intersection. Included are dual left lanes on South Van Dorn and a right turn lane on Telegraph to South Kings. Funds are available to four-lane Telegraph Road from Beulah Street to Leaf Road near Hayfield High School. With all the new Federal jobs at Fort Belvoir, the transportation nightmare could get worse.

### **Lee District Nights 2011 Concerts**

Now that the Family Recreation Area and Spray Park have opened, the FREE summer concert series can return to the amphitheater at Lee District Park. Performances are scheduled every Wednesday at 7:30 p.m. during the months of June, July and August. Concerts are cancelled

if it is raining. If bad weather threatens after 6 p.m., call 703-324-SHOW (7469) for an update. The first concert will be Wednesday, June 8 by The Nighthawks. The Bavarian folk group Alt Washingtonian will perform on June 8, followed by Elaine and Susan Hoffman Watts & The Fabulous Shpielkes on June 8, the Pietasters on June 22 and the Guy Meadows Band on June 29.

Also, The Grandsons rockabilly on July 9, David Bach Consort jazz on July 13, the NOVA Annandale Symphony Orchestra on July 20 and the United States Army Blues on July 27. In August, there will be performances by Michael Cleveland and Flamekeeper bluegrass on the 3rd, Lyuti Chushki Bulgarian folk music on the 10th, The United States Navy Country Current on the 17th, Brothers +1 Motown on the 24th and Sock Moneys rock and roll on the 31st.

### **Farmers Market Now Open**

The Farmers Market is now open in the Kingstowne Shopping Center that includes the Giant and the Exxon Mobil gas station. The hours are 4-7 p.m. every Friday until October 28. Vendors include A Bit More sweets and specialties, Bees 'n Blossoms honey products, C&T Produce, Cenan's Bakery, Chesley Vegetable Farm and Allenburg orchard, Colonial Kettle Corn, Level Green Farm Produce, Redfox Creamery ice cream and lemonade, Mt. Olympus Berry Farm produce, Salsa las Glorias, Smith Family farm meats, Susie's Cookies, Old World Kitchens, Beladeva Fine European Pastries, Ole Pioneer's Kitchen, Fresh Crunch, Wellsprings Garden and Penn Farm. Stop by and treat yourself to some home-grown or homemade goodies.

### **Supervisor McKay to visit in June**

Supervisor Jeff McKay will visit the Rose Hill Civic Association meeting on June 28. The plan is to have a family dinner in the Nichols' front yard, 6416 Rose Hill Drive. RHCA will provide a main dish; drinks and paper products and residents are encouraged to bring a side dish or dessert. More details in the June Rambler. And don't forget to mark your calendars for the National Night Out to support our emergency responders on Tuesday, August 2. The event also will be held in the Nichols' yard. We are planning our annual fish fry that night.
