Brandon Classical Christian School desires to provide the best education possible for students who are admitted. Due to staffing, funding, and facility limitations, some children are not admitted because the school cannot adequately provide for their learning needs. The nature of the school curriculum necessitates that children who have been diagnosed with learning differences must be able to meet the same academic standards as all other children in their grade level. Children with physical/motor limitations who may require special provisions will be considered for admission on a case-by-case basis.
