

Sisterhood ladies of all ages and stages!

Please take a few minutes & jot down a couple things for each category.

INCLUDE: tried & true tips and tricks, brand names, shortcut hacks, how-to's, life lessons, insight & information.

We'll come together at Sisterhood to encourage and share from our wealth of knowledge and wisdom gained.

There is no pressure, but just having a few thoughts on this paper will prepare you to share if you're inclined when the topic is covered.
