A Letter from the Design Chairman

Hey TCTC,

I am so excited to introduce to you the theme for TCTC 2024: Enough! This theme is near and dear to my heart and has been on my mind since at least 2013. To see this God-given vision for TCTC come to life has truly been a blessing. I cannot wait to share with you the discovery of not only God's provisions and "enough-ness" but also the "enough-ness" that God has gifted and anointed on all His people. We must all decide when we have had ENOUGH and turn from our own worldly ways. We must recognize the fullness that God has given us and all the abundant ways He proves to be ENOUGH over and over again. Lastly, because He is ENOUGH He gets to determine what I am.

Scripture tells us that only by Christ's blood are we complete but anyone that claims Christ is made new and they are then found to be ENOUGH. I know that God has life-changing plans for this year at TCTC and that He has gifted me with the thematic vision so we can turn to Him and see His glory on display. The band, speaker, and other talented guests will be top-notch, but the real guest of honor, God himself, has already shown up in so many ways and continues to be the guide for this event

Thank you for joining us in prayer for this year,
Madi Poindexter
