Sermon Series

Sheesh: Cultivating Wonder in a Monochrome World January 11 - February 15

"Sheesh" is more than an expression of surprise—it's a recognition that life is filled with moments that take our breath away, if only we notice them. This series challenges us to break free from the autopilot of modern life and cultivate a heart that marvels at God's presence in both the extraordinary and the ordinary. Through six transformative weeks, we'll explore ancient spiritual practices that awaken wonder. Join us as we trade our tired, monochrome existence for a life painted with wonder, meaning, and divine surprise.
