

2025 Oasis Church Reading Plan (1/4)

In the year ahead, ask God each day to speak directly to you from the Scripture portions you read. Be expectant, and let your continual exposure to God's Word reshape your attitudes and behavior as you gain a better understanding of every part of His written testimony to us. *This reading plan offers special features that will aid you in your journey through the Bible:*

- **Daily Variety:** Each day, you'll read from four different parts of the Bible. You'll see how Scripture fits together while also keeping things fresh and engaging.
- **Just Start:** You can begin at any point of the year.
- **Room to Breathe:** To prevent the frustration of falling behind, each month only has twenty-five readings.
 - Use the extra "free days" to catch up on readings you may have missed in the past week.
 - If you finish the month's readings early, use the extra days to study passages that challenged you.
- **Make It Realistic:** If the idea of reading the whole Bible feels overwhelming, don't sweat it. Maybe this quarter, you focus on the Gospels and wisdom books, and next quarter, tackle something else.
