## *Pathfinder Club of Sacramento, Ca.*

August 27, 2023

Dear Pathfinder Parents:

Welcome back to Pathfinders with the Capitol City Chargers. This year I'm sure is going to be a good one as we re-launch our club post covid.

Each Club has its own personality. Our club blends spiritual, mental, and physical activities. We aim to help your Pathfinder develop a strong love of God and an appreciation of respect for the world He made for us to live in, at each of our club meetings we repeat the Pathfinder Pledge and Law and follow with a devotional thought. We devote a great deal of each Pathfinder meeting to the study of materials required for each of the class levels. At club meetings where we don't do classwork, we complete various honors. Some meetings are for recreation activities and may be off-site.

Enclosed are the registration forms that must be completed by all pathfinders and parent(s) / Guardian(s). All registration fees must be paid by the September 26. Our current registration fee is \$75.00 per pathfinder after September 26 it will be \$100.00 (every year each Pathfinder needs to be re-registered). Please be sure we have the name, address, email, and phone number/s of each parent so he or she can be contacted when we have news to share a page has been attached at the end of this letter to submit that information. Also place the pathfinder Directors contact info found at the bottom of this letter in your mobile device.

We can Always use additional help whether it be as chaperones or drivers to events or by joining our team. If you're interested, please inform Quentin and or Tala. Due to the crazy days, we live in, California Assembly Bill (AB506) requires that all NCC volunteers must be live Scanned and complete Child Protection/Mandated Reporter Training. The training is provided through the conference and can be found on the website at NCCSDA.com and look under the volunteers tab. The training is free of charge; however, the cost of Live Scan will be at your own expense. We pray that this does not deter you from helping our youth. Once you have completed the Live Scan and the web-based training, please send your completion documents via email to the pathfinder director at qrhunter@gmail.com.

For the upcoming year we will hold club 2nd, 3rd, and 4th Sunday from 10:00 am until 12:30 pm unless otherwise notified. No club will be held the Sunday of a federal holiday I.e., holiday falls on a Monday or a Sunday no club that Sunday). It is expected that all Pathfinders maintain a 90% attendance, to attend trips/outings attendance is a must. Pathfinders will not be able to attend any event with poor attendance unless an agreement has been made with the director. Juniors and Teens are deemed old enough to make responsible arrangements with their families for arrival and departure from church events and club meetings. Parents, please drop off your pathfinder and pick up your pathfinder up at the beginning and ending of club. Pathfinders that are not picked up from

club or after events/outings within 15 min. after the end of club/event will be fined a \$25 watch fee. This fee will increase by \$5 each additional 15 min the pathfinder is not picked up. All watch fee balances must be paid for your pathfinder to attend any event or outing.

Along with this letter are the Registration Application that must be signed by the Pathfinder and Parent/Guardian, Medical Record Consent to treat form (Please include medical record # and insurance carrier we don't need the SSN).

To be a member of the Club, your Pathfinder will need a field uniform and a full-dress uniform.

- **Field uniform** consists of a club t-shirt and jeans. Club t-shirts can be purchased at registration.
- **Dress uniform** includes black pants for boys and modest, black skirts for girls; a khaki shirt or blouse with all patches; an official Pathfinder belt; a yellow scarf; and a black honor sash and beret/hat.

The Club can assist you in ordering uniform parts. Used uniform parts that another Pathfinder has outgrown may be available at a reduced price at the time of registration.
