

2024 VISION

The Alphonse 5 in Uganda!

Hello Friends,

Merry Christmas to you! Greetings from Uganda! Thank you for your support in this past year. We are excited to share with you about our New Year Vision:

God has opened for us a clear door to work with refugees from South Sudan and currently new refugees flowing in from Sudan. There is a huge need to help refugees to resettle here in Arua. We feel a heavy heart to help with this need as we were apart of this process in Salem, OR and know how hard the process is for refugees to resettle.

We are so grateful to see how God has prepared us for this moment with having purchased land, drilled a well, built a wall fence and made this house design. We are now believing to see how God can help us start this project and have it finished within this year of 2024.

We chose this house design so that we can host refugees who are transitioning to Arua. We would host them for 1-2 months as we find permanent housing for them and during that time we can do debriefing from their experience as well as counseling.

Currently we have raised \$20,000 and we are believing for an additional \$55,000 to complete the first level of the house and an additional \$75,000 for the second level. A total of \$150,000.

¹
Please be praying with us and any amount that you can give will be a huge blessing.
