Easter
Day!

Praying for some ladies at the Women's Conference. (Women of Faith)

Happy Easter!

Happy Resurrection of our Lord and Savior. Thank you for helping us reach 6 months now here in Uganda through your prayers and supporting us financially both personally and with ministry opportunities. We have seen God open the door with ministry to different groups.

Charity shared at a 3 day women's conference in February and was able to pray for and minister to many ladies here in Uganda. Almost every week we have found ourselves going to different parts of the refugee camps a few hours from here doing a variety ministry focuses among refugee church groups. One specific need that we got to minister to was providing personal hygiene items for 40 school girls which was sponsored by friends and family. We realized this is a huge need and struggle for girls in the camp which affects their ability to go to school.

After a long time waiting we have started our ministry house project in March. We have taken a step of faith to see God provide for this project as we are not fully funded for yet. God has miraculously provided for phase 1 of building the foundation. Currently they have dug holes for the foundation and are soon putting in the rebar. This house is key for the ministry that God has placed in our heart to temporarily host new families upon arrival to help them transition into the culture here in Uganda. We will also be able to host teams as well as have a counseling office where we can bring Godly counseling to people whom are suffering.

Easter has been a great opportunity for us as Charity felt led to have a Easter party for the YWAM staff kids. With over 20 kids we were able to share with them the meaning of Easter and why they need Jesus in their life as well as play games, crafts and an egg hunt.

The opportunities and needs are many here. Please pray with us for direction in how to help people both physically and spiritually. Pray with us for phase 2 of our house project which is level one of the house. Pray with us as we have the opportunity to go this September for our annual YWAM Together Conference in the Philippines. We are still trusting God for the provision of our plane tickets. Please also feel free to share with us your prayer requests. So that we can also be praying for you.
