

JUNE TESTIMONIES

- I woke up this morning with vertigo. Jeremy prayed for me, I went back to sleep for a bit and woke up free from any dizziness or nausea! UPDATE: After that healing when I was running last week alone, I started to get acid reflux about mile 6, and remembered my vertigo testimony. I thanked Jesus for healing me, prayed in tongues for a second, laid my hand on the spot while I was running I, and said for it to go in Jesus name...and it stopped! I've struggled with asking God to heal me for stuff so, I'm periodically intentionally remembering and thanking Him for healing me. -Robin
- I've been working on a project for Shawn & Nicole and just feeling harassed every step of the way. I'd get something done, a problem would pop up, I'd fix the problem and another problem would pop up. It got to where I could hardly bring myself to work on it even though I knew I needed to get it done. I've never encountered problems like this before. The first time since my deliverance session (with Pastor Bonnie), I sat down at my computer to work on it and within 1.25 hours I had EVERYTHING that had been giving me problems worked out!!! I kid you not, everything just fell together. How crazy that the demonic was harassing me through that. Not crazy when you think about it, but still. Ever since my deliverance I can't get the smile off my face. I will find myself smiling just randomly for no reason (well, obviously not NO reason) like lying in bed before I fall asleep or washing dishes, etc. Every day I feel more different than I did the first day. I am so glad I did it. What a huge blessing to be able to walk in so much freedom and wholeness through Christ! - Sandy
- The ways God meets us continues to just blow me away. 9 years ago, my grandpa passed away suddenly in an accident. My grandma recently was going through files and found a list my grandpa had made. It showed what he was focused on accomplishing in his daily life. Some items were crossed off. He had a car show ministry. Food items were listed and crossed off for the BBQ that would go with the car show. He also listed 3 scriptures on his list. The Lord knew when we would find these verses and they just happened to be things God has been speaking to me about. I'm going to share the verses because I think it will be for many of you also. How precious to get a prophetic message from someone you loved so much 9 years after their passing. Only God can do things so marvelous and kind.
“I pray that God, the source of hope, will fill you completely with joy and peace because you trust in him. Then you will overflow with confident hope through the power of the Holy Spirit.” Romans 15:13 NLT; “For the despondent, every day brings trouble; for the happy heart, life is a continual feast.” Proverbs 15:15 NLT; “Come back to the place of

safety, all you prisoners who still have hope! I promise this very day that I will repay two blessings for each of your troubles." Zechariah 9:12 NLT God is truly very good!! -Felicia

- My back was sore today. I didn't tell my husband about it. It wasn't necessarily bad enough to tell anyone. I did pray over it earlier in the day. By the time evening hit, my husband walks past me and touches the exact place my back was hurting. Again, he didn't know it was hurting. Then he said "healed in Jesus name, just cause!" I was then healed and told him that my back had been sore and what God did. We were both blown away. - Anonymous
- National Day Of Prayer happened in May. They handed out pamphlets about some of the revival history in Albany, which I will share below along with some of my own commentary...

Why pray at the Old Armory? In 1922, Dr. Charles Price came to Albany, Oregon with support and backing of Baptist, Evangelical, Presbyterian and Nazarene churches. Services were held at the Albany Armory Downtown, now called the "Old Armory". So many came to the services during the "Charles Price Revival Campaign" that overflow sites were needed. Thousands witnessed miraculous healings and scores of people came to the altar to be saved. What God did over 100 years ago, we pray that God would do it once again! This is our inheritance as believers and especially for the town of Albany!

I am reading a Charles Price book right now and it's important to note that Charles was a believer, but skeptical of Aimee Semple Mcpherson. (The founder of Foursquare) He came to one of her meetings to expose her. Instead, he himself had a powerful experience with the Holy Spirit. For the rest of his life, he spoke all over America drawing enormous crowds, and moved in the power of the Holy Spirit. Another article from the Day Of Prayer pamphlet stated this:

REVIVAL RESULTS

Charles Price writes of the 1922 revival: "..God's Spirit took possession of the meeting. Without any invitation being given, sinners began to flock the altar.. soon the altar and the whole stage were crowded with seekers.

Out of the 1922 revival, hundreds came to Know Jesus. One church reported over 100 new members, another 75, another 60, another 50...and many new believers lived outside the city limits. New churches were birthed. Many were miraculously healed through the power of Christ.
