## BE WITH JESUS

### LESSONS LEARNED FROM BEING WITH JESUS-

1. Being with Jesus is often not the same as looking for answers.
2. When you're with Jesus, you often receive what you need – and it's not answers. It's perspective.
3. Even if you don't receive answers or perspective, being with Jesus still changes you over time. This is more important than either an answer or perspective.
4. The more you're with Jesus, the more you're desire to be with Him increases.
5. Over time, You become more like Jesus (though it can be painfully slow) and you're more willing to do as He did (though there's always room for growth)!

## OUTREACH HIGHLIGHT

Collecting items in the church lobby now through the end of February!!!

## BECOME LIKE JESUS

### THE ULTIMATE GROUP PROJECT!

Becoming like Jesus is not something we achieve through effort, information, or spiritual intensity. It is a slow, relational work that happens as we remain with Him. While we cannot produce transformation on our own, we are invited to cultivate space for God to work through submission in practices, community, teaching, time and hardships. Along the way, sin, stories, habits, and wounds shape us but Jesus meets us not as a distant judge, but as a healing presence. Becoming Like Jesus happens over time through cooperation with grace, rooted in love, trust, and dependence on God. It is the ultimate group project that you and the God, accomplished by Jesus through the power the spirit and fellowship of community work out through your entire existence!
