Salt

Cynthia Nixon is an actor and a few years ago, a failed candidate for Governor in New York. In fact, her candidacy never gained much traction at all, except for one thing. It was when she shared her favorite bagel order. Now bagels are very important in New York; it's equivalency is like turkey at Thanksgiving or Christmas ham. There are some things that just go together and for New Yorkers, it's bagels and lox (a salted salmon with cream cheese and capers on a plain bagel.) Except Nixon substituted the plain bagel with a cinnamon raisin bagel. She should have dropped out of the gubernatorial race as soon as she said it. "How could you desecrate lox with a cinnamon raisin bagel?!" a thousand or more people wrote. "Tone deaf," said others. People take their bagel and lox seriously. The secret to the taste, they say, is the salt. And Jesus said, "You are salt of the earth." Wonder what he meant by that? It is the subject of the sermon. I'll see you Sunday.

OUR WEEKLY BREAD

"Create in me a new, clean heart, O God,
filled with clean thoughts and right desires."
- Psalm 51:10

You were created in the image and likeness of God. You were made for God's fellowship, and your heart can never be satisfied without His communion. Just as iron is attracted to a magnet, the soul in its state of hunger is drawn to God. Though you, like thousands of others, may feel in the state of sin that the world is more alluring and more to your liking, some day - perhaps even now as you read these words - you will acknowledge that there is something deep down inside you which cannot be satisfied by the alloy of earth. Then with David, the Psalmist who had sampled the delicacies of sin and had found them unsatisfying, you will say, "Oh God, thou art my God; early will I seek thee: my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land, where no water is."

How I long for You, God, yet so often my heart is drawn away from Your leading. Like David, I desire a clean heart. Amen.

PANERA BREAD, MULLINS CROSSING

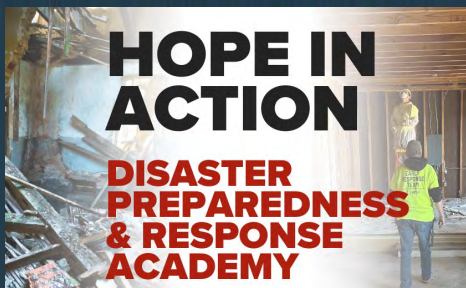

On February 8, Scouting celebrates 116 years of service to America's young men and women. Also that day, Wesley celebrates Scout Sunday and I encourage all Scouts regardless of age to wear their uniform to church and be part of the celebration. America has changed a lot over the past 116 years and many Scouting activities have changed. However, Scouting remains strong because of its central values of duty to God and country, commitment to help others, and fostering leadership and character development. Each Scout commits to live by a code that sets them apart from others around them. They often serve quietly behind the scenes, as evidenced by the multitude of Eagle projects and service projects that have been performed here at Wesley and in our community. Scouting, especially the members of Troop 615, Troop 1615 and Pack 615, thanks you, Wesley, for your support and for giving us a home. Come celebrate with us this Sunday.

LESSONS FROM THE SUPER BOWL

"But thanks be to God! He gives us the victory through our Lord Jesus Christ." - 1 Corinthians 15:57

The Big Game and the Bigger Battle

The Super Bowl is more than just a football game - it is a battle between two determined teams. Life can often feel like a battle. We face trials, obstacles, and seasons of uncertainty. Sometimes, we feel like we're losing ground. Other times, we experience breakthroughs and victories. Through it all, God calls us to stand firm, trust Him, and remember that our victory is already secured in Christ.

Lesson 1: Preparing for Battle

"Put on all of God's armor so that you will be able to stand firm against all strategies of the devil." - Ephesians 6:11

Winners don't just show up on game day and expect to win. Likewise, we have to equip ourselves spiritually through prayer, God's Word and faith. God gives us the armor to face struggles with strength and wisdom. Without it, we are vulnerable.

Lesson 2: Perseverance Under Pressure

"God blesses those who patiently endure testing and temptation. Afterward they will receive the crown of life that God has promised to those who love him." - James 1:12

No victory comes without struggle. But champions don't give up. Life throws unexpected challenges at us, and in those moments, it's easy to lose hope. But God calls us to press on with faith, knowing that He is working even in the trials.

Lesson 3: The Power of a Strong Defense

"God is our refuge and strength, always ready to help in times of trouble." - Psalm 46:1

Defense wins championships. In life, we also need a strong defense against doubt, fear, discouragement and enemy attacks. When we stand firm in God's truth, surround ourselves with wise counsel, and build our faith through prayer, we create a defense that keeps us strong in difficult seasons.

Lesson 4: The Joy of Victory

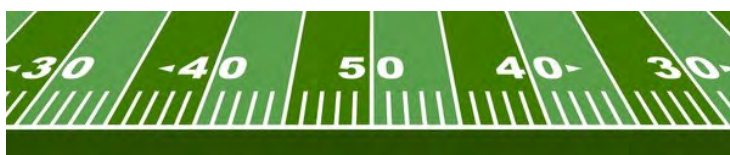

"No, despite all these things, overwhelming victory is ours through Christ, who loved us." - Romans 8:37

When the final whistle blows, one team will celebrate. In life, we often focus so much on the struggles that we forget to celebrate the victories. God is moving in our lives daily, guiding us through battles and giving us strength. But the greatest victory of all is in Christ. No matter what trials we face, we are already victorious because of what He has done for us.

Closing Prayer

Lord, thank You for the victory You have given us through Jesus Christ. Help us to prepare for life's battles, to persevere when challenges come, and to stand firm in Your strength. Remind us to celebrate the victories, both big and small, and to trust that we are more than conquerors in You. Amen.
