More from the Elder Selection Committee.

Here's a "What if...?":

What if I've already turned in my nominations form (via paper, or electronically), then later think of another worthy individual who I feel called to nominate?

As long as you can communicate that before the closing time and date (noon, 2/15), please do, but just don't repeat those names you've already submitted.

We hope you are praying often for the men God wants to shepherd His flock at Hardin Valley.
