

Midland Valley Christian Academy

4K-8th GRADE TUITION & FEE SCHEDULE 2026-2027 School Year

The following fees are for students enrolling for the 2026-2027 school year beginning August 2026. Tuition & fees include the following: curriculum, accreditation fees, standardized testing fees, student accident insurance, and any applicable technology fees.

Application Fee	\$ 45
Enrollment Fee	\$ 160
- <i>Early Enrollment (ends March 31)</i>	\$ 140
- <i>Late Enrollment (after July 1)</i>	\$ 200

4K PRESCHOOL

Our 4K program is a regular academic program, much like kindergarten, and follows the regular school calendar of 10 months of instruction. 4K does not run through the summer.

Half-day 4K tuition & fees (until noon)	\$4,780
Full-day 4K tuition (until 4:00)	\$ 6,975
Extended care is available for 4k until 6pm	\$ 500

LOWER SCHOOL

5K tuition & fees	\$ 7,190
Grades 1-5 tuition & fees	\$ 8,200

UPPER SCHOOL

Grades 6-8 tuition & fees	\$ 8,300
---------------------------	----------

There is no charge for morning care. Students can be dropped off as early as 7:00 am at no additional charge.

Afterschool care is provided on campus from 3 pm – 6 pm for a fee of:

- First child: \$1080 yearly (\$30/week)
- Additional siblings: \$540 yearly (\$15/week)

A non-refundable enrollment fee is due upon submission of the enrollment packet. Tuition payment plans begin in August and run through May 2027. There is a one-time fee for each family for payment plans. A \$25 fee is assessed for annual and biannual payments, and a \$55 fee is assessed for families paying in 3 or more payments. The amount of the fee is indicated when setting up your agreement. These fees will be automatically processed within 14 days of the agreement being posted to the FACTs system. MVCA accepts the ESTF scholarship and has a limited amount of financial aid available for grades K5 and up based on family need (*4K and daycare is not eligible for financial aid.*)

MVCA is committed to keeping tuition as stable and affordable as possible. Any tuition adjustments are made only to account for inflationary increases in operating costs, allowing us to continue providing high-quality care without unnecessary price changes.
