A 13 WEEK TEXT-DRIVEN STUDY FOR MEN

This study is built on a simple conviction: God's Word is sufficient and trustworthy, and men must be anchored to it. Scripture is not meant to be skimmed or treated casually. God has spoken, and His Word provides everything necessary for life and godliness (2 Peter 1:3).

When we give ourselves to careful study, the Word reshapes our thinking, strengthens our faith, and produces endurance and hope that do not waver with circumstances.

ANCHORED MEN BIBLE STUDIES are in-depth, text-driven studies designed to train men to handle the Word of God rightly. Each lesson is meant to help you learn to feed yourself from Scripture through disciplined study and prayer. As you work through the lessons, approach them with purpose, plan your time, and depend on the Lord. Strengthen your understanding by remembering and sharing key truths, and commit to putting God's Word into practice. We study not merely to know the truth, but to live it.

HOW TO APPROACH THIS STUDY

- **Take God's Word seriously.**

Study with focus and reverence. Do not rush or treat the text casually.

- **Commit to disciplined study.**

Set aside protected time and follow through with consistency.

- **Let Scripture govern understanding.**

Use tools as aids, but allow the text itself to determine meaning.

- **Persevere in obedience.**

Begin in prayer, press on through difficulty, and apply what God's Word requires.

“

Here then, is the real problem of our negligence. We fail in our duty to study God's Word not so much because it is difficult to understand, not so much because it is dull and boring, but because it is work.

Our problem is not a lack of intelligence or a lack of passion.

Our problem is that we are lazy.
