- Pray for our son Isaac as he continues his University studies in Chemical Engineering at Berlin's Technical University.
- Pray for our son Micah as he finishes his last year and a half of Abitur and for wisdom to decide on what will be next for him upon completion.
- Pray for our relational ministry.
- Pray for continued conversations and curiosity about faith, Jesus, and the Bible.
- Pray for those who have started to ask questions and for sensitivity to the Holy Spirit.
- Pray for church planters in the city.
- Pray for the Lord to continue to grow His Church here in this city.
- Pray for more workers for the harvest here.
- Pray with us that God would continue to call people to invest part of their lives here.
