No Longer Slaves

World Bible School

The Tusculum World Bible School (WBS) is one of the longest running programs at Tusculum and possibly has had more success than any program, over 35 years of mission successes.

During the years, WBS has had 80 or more teachers, during which 15,000 lessons were mailed out each year, and as many as 10,000 in other years. It's believed that as many as one million people may have heard about Jesus through this program through the ripple effect!

The goal of WBS is the same, but the means have changed greatly. We have workers in foreign countries. We mail all the needs for a World Bible School program to them. They do some distribution of material, but almost all the studies are in a classroom.

The second part of the World Bible School Program today is the online program. In the past, almost all students were in foreign countries. Today, 90% are from Nashville and Middle Tennessee. God has brought the world to our door!

Our greatest need for this program is teachers. The only cost is your time, and you set that.

If you would like more information about how you can be involved in this world-wide outreach program to meet the lost, you can contact **Richard Thompson** or **Bobby Mullins**.

Bring Us Your Shoes!

We're collecting gently worn and new shoes to raise funds for **Hope for Haiti's Children**. Cleaning out your closet can make a real difference.

If the shoes are still in good condition, we want them. Please tie pairs together with their laces, or secure them with a rubber band if they don't have laces.

This is an easy way to get friends and family involved, so spread the word! We're accepting all types of shoes—sneakers, boots, dress shoes, sandals, athletic, and casual shoes. Every pair counts.

Please drop your shoes in the collection box in the **Great Hall**.

Our goal: 2,500 pairs of shoes. Let's get there together. Deadline is February 8.
