The Weather

Wow . . . what more is there to say? Be safe everyone!

Don't forget our workshop this **Sunday, February 1** with James Nored, creator of The Story of Redemption films. You should have received a lengthy announcement about this workshop, but it bears mentioning again . . .

The Story of Redemption

You are invited to a meaningful afternoon of fellowship, learning, and outreach on **Sunday, February 1**. After Bible classes, we'll have a potluck luncheon for the whole congregation from **11:30 a.m. to 12:45 p.m.** Please plan to bring an entrée, side, and/or dessert. (Please join us for lunch even if you can't stay for the workshop.) RSVP (<https://tusculumchurchofchrist.subspla.sh/yrsvpzp>) if you plan to attend the workshop so they can plan accordingly. Then Dr. Nored will go through timeless biblical truths and practical tools you can use in everyday conversations about Christ.

God is gracious and can teach us something with this weather. From Psalm 147 . . .

He covers the sky with clouds;
he supplies the earth with rain
and makes grass grow on the hills.
He provides food for the cattle
and for the young ravens when they call.
His pleasure is not in the strength of the horse,
nor his delight in the legs of the warrior;
The Lord delights in those who fear him,
who put their hope in his unfailing love.
He spreads the snow like wool
and scatters the frost like ashes.
He hurls down his hail like pebbles.
Who can withstand his icy blast?
He sends his word and melts them;
he stirs up his breezes, and the waters flow.

I don't always understand God's ways; but I do always trust Him. Glorify God, even in the worst of times. Do good where you can.

Above all, as said above, be safe! ~ Harvey
