## Thank You

The Benevolent Committee would like to update you on Tusculum's Thanksgiving and Christmas Holidays, which you so generously helped to make such a great success.

**Thanksgiving** was great! We were able to help 52 families. This was an unusual year, as the Children's Education Department collected money and purchased a large quantity of canned goods, allowing us to avoid requesting food for a while. We are deeply grateful to the teachers and helpers who contributed to such a thoughtful and wonderful program. They shared with the children. The children now know what we do and what a blessing it is to others that they did! A big thank you to the Spanish Ministry, as they made up several boxes and bought lots of groceries for the pantry.

**Christmas** was outstanding! No, it was fantastic! We were able to assist 73 children and their families. You, as a church family, donated money, some of you gave up your time to shop, several shopped and assisted, delivering, and even on the last weekend, some still offered money or even to shop. The Youth Group took 5 children and did an awesome job with their shopping! Thanks to the Spanish Ministry as well, which purchased Christmas gifts for a family of four. This was a great Christmas for many. There are too many helpers to mention, but we are thankful from the bottom of our hearts for all the shoppers, donors, time, and help you gave.

God's Blessings and Gratitude,  
The Benevolent Committee

## Shoe Collection Update

Thank you to everyone who has already donated to our shoe collection! Although the official deadline was February 13, we are able to continue collecting shoes until Funds2Orgs schedules our pickup in the coming weeks.

If you still have shoes to donate, please continue to bring them. Every pair makes a difference. The more shoes we collect, the more funds we raise to help feed children in Haiti.

Let's finish strong and make the most of this opportunity!

Thanks, Ann
