

ESL (English as a Second Language)

Mike Dotson & Jake Shoun

Adult 4/5 (Ladies), Adult 6, Adult 7 & Gym

You've likely heard about our ESL (English as a Second Language) classes over the years—but this year, we're bringing a fresh and exciting approach!

We're inviting our Spanish-speaking members to arrive early to warmly welcome new students and begin building relationships even before class starts. Then, at the end of class, come back in to connect again, encourage, and share in conversation.

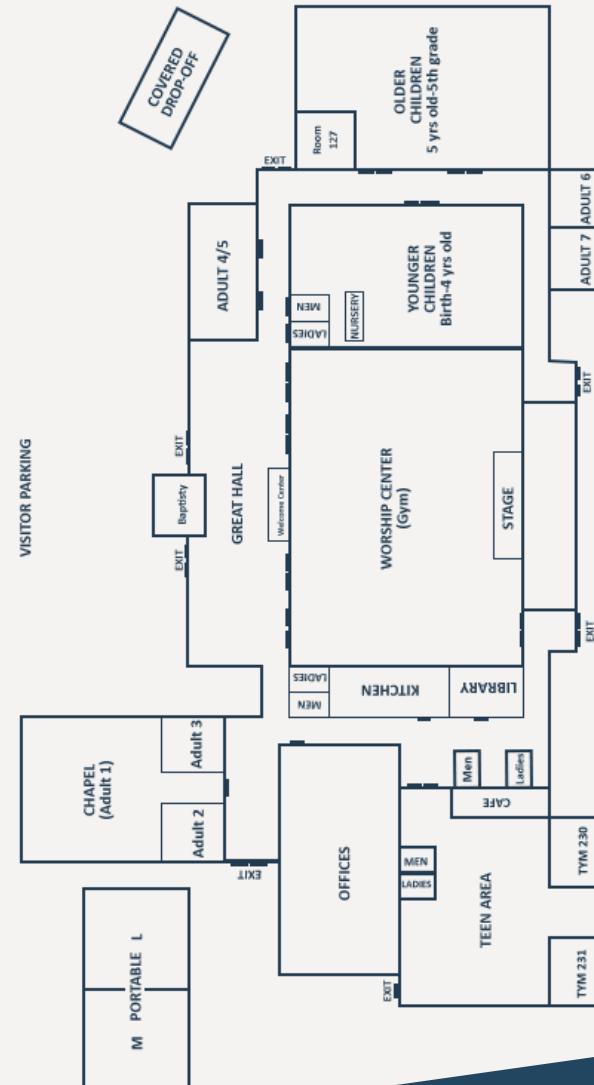

We'd love for you to be part of it!

We're currently looking for teacher's aides—no experience required, just a heart to serve and connect.

Another wonderful way to get involved is through our Spanish-speaking group, which meets twice a month to practice songs in Spanish. The other two weeks, we'll offer a Bible class full of encouragement and learning.

Whether you want to help in the classroom or sing your heart out—“¡Excelente idea!”—there's a place for you.

If you have any questions, contact Mike Dotson (615-418-3521 or Jake Shoun (615) 925-1005

Adult Bible Classes

February - April 2026

Tusculum Church of Christ

SUNDAY 10:30AM

Time Between the Testaments

Jim Stubblefield

Room 127*

The time between Malachi and Matthew is often referred to as the "400 years of silence" by Christians, due to the lack of prophetic voices during that period. However, much transpired during this time that paved the way for Jesus' arrival. Over these 400 years, the language evolved, new groups emerged, and worship practices transformed with the rise of the synagogue.

In this class, we will explore the changes that took place leading up to the New Testament and examine the importance of the intertestamental period in setting the stage for Jesus' coming.

Lessons from the Pentateuch

Harvey Hearn

Adult 6

The Pentateuch are the first five books of the Old Testament, books that the entire history of Israel is based on, from the creation of the earth, to the call of Abraham, the birth of Israel and more. It is the book that the histories rely on and the prophets call Israel back to. We'll explore some of these great themes and stories that apply to us today.

The Epistles and How They Relate to Social Issues Today

Earl Santymire

Adult 7

We will discuss social issues that face disciples today and examine the Epistles to see how the first century writers responded to similar issues in their days.

Angels – Finding Hope in God Who Reigns over Heaven and Earth

Teresa Stephens

Adult 4/5 (Ladies)

What do we really know about angels? The Bible mentions angels more than 300 times and this study will take a journey through the Bible, exploring Scripture from Genesis to Revelation, to learn about angels – who they are, what they do, and what they have to do with us. This study will help us have a biblical overview of angels, searching for what He has revealed about Himself and His angels through the pages of Scripture.

Fables, Fumbles, and Faith

(Exploring Family Systems, Emotional Patterns, and God's Wisdom for Our Relationships)

Mark Adams

Portable L

This class is designed especially for our young professionals. Together we will explore the intersection of biblical wisdom and Edwin Friedman's imaginative relationship fables, gaining insight into the family systems that shape us. Each week we'll read a story, look closely at Scripture, notice our own reactions, and consider God's invitation to become healthier, more grounded people. If you're seeking fresh clarity about relationships and God's transforming work in them, we hope you'll join us!
