

Feed NM Kids - Food List

FNMK provides snack packs to Albuquerque Public School children. Here are the nonperishable food items these snack packs include:

- Single serve beef ravioli (with pull top lid)
- Single serve mac & cheese
- pudding cups
- Applesauce squeeze
- cheese or peanut butter crackers
- protein or cereal bars
- Single serve ramen noodles
- packed nuts
- trail mix
- raisins or fruit snacks
- oatmeal packets

ALL items must fit into a one-gallon zip-close bag.

These food items are donated and dropped off at one of our drop off locations. Snack packs are then put together by volunteers and delivered to APS schools. Teachers, principals, nurses and counselors then distribute snack packs on Friday for children to take home and eat over the weekend.
