TEACHING, TRAINING,
& EMPOWERING
THE CHURCH
FOR THE WORK OF MINISTRY

Greetings dear Friends !

To God be the glory for all that He is doing and what He is about to do ! We anticipate a great move of God in 2023, for where darkness abounds, so much more the grace and the glory of God will arise upon and within His people !

MINISTRY NEWS

It has been a great honor and blessing to be on staff at The River West Palm Beach for the last two years. We have enjoyed having had the opportunity to serve in this local church as associate pastors in teaching, ministering and encouraging this local body of Christ. This assignment from the Lord also helped carry us through the last couple years of the covid lockdowns when travel was not possible. But the Lord has given us direction, and with it, confirmation and a release to return to ministering full time in the nations beginning this April. We already have a full schedule ahead of us for 2023 to nations in the USA, Germany, Thailand, Brazil and Guatemala.

Lord, use me to see lives touched and changed by the power of the Gospel !

The nations are calling us and the opportunities are abundant. Many in the Body of Christ desire for God to use them. This is beautiful and powerful experience. However one of the most important aspects to this is our heart motives. Some desire God to use them because of a need for recognition and the desire to have influence. Basically it is a motive that is self serving and of selfish ambition. Jesus on the contrary taught, ***"If anyone wants to be first, he must be last of all [in importance] and a servant of all."*** (Mark 9:35 AMP) Even John the Baptist declared, ***"He must increase, but I must decrease."*** (John 3:30 NKJV) So whether you preach, pray, prophecy, flow in the anointing, hand out food or any other form of service it must be done because you love God and you love people; from an attitude of humility. Love the Lord with all your heart and life, love people and be a vessel for the Lord to save the lost, heal the sick and set captives free...

*Love the Lord with all your heart and life,
love people and be a vessel for the Lord to save
the lost, heal the sick and set captives free.*

"I must work the works of Him that sent me, while it is day: the night cometh, when no man can work." John 9:4

THANK YOU FOR YOUR PRAYERS AND SUPPORT THIS YEAR !

Lisa and I want to thank all our friends and partners who give and support what we do for the Kingdom.

Your generosity is amazing.

We feel the love and encouragement every time.

Thank you again for your prayers while we minister the Gospel to the nations, contending for revival and changed lives.

God bless you ! Vincent and Lisa
