## KURT & PAT NELSON

*Plano, Tx*

*East-West Ministries Int'l*

Kurt holds an undergraduate degree from the University of North Carolina, a Master of Theology in World Missions from Dallas Theological Seminary, and a Doctor of Ministry in Missions Leadership from Columbia International University.

As Chief Executive Officer of East-West Ministries International, Kurt Nelson provides leadership and oversight to all worldwide ministry endeavors in the over 46 countries in which East-West currently operates. After serving with East-West for 13 years, Kurt became President and CEO in June 2010. In 2024, Kurt promoted Kristen Shuler to the role of President while Kurt remains CEO. Kurt has served with East-West for a total of 28 years.

Kurt serves on the Board of Directors for East-West Ministries, ECFA, the Dallas Christian Leadership Prayer Breakfast, and The Moody Center.

Kurt received his undergraduate degree from the University of North Carolina, his Master's of Theology in World Missions from Dallas Theological Seminary, and his Doctor of Ministry in Missions Leadership from Columbia International University.

Kurt and his wife, Pat, have been married for 37 years and have nine children (three of whom were adopted from Russia, and one who went to Heaven in 2021), six grandsons (one who went to Heaven in 2020) and one granddaughter.

In 2025, East-West will conclude the final year of our "One Church. All People." Vision. As we face the global problem that there are more than 3 billion people who are unreached with the gospel, we want to rally believers to use their individual giftings so that the global church can move as a unified front to reach the unreached. Together, we can see people from every tribe, nation, and tongue come to know and follow Jesus. Together, we can unite as One Church seeking to reach All People. This year, our Board of Directors has approved the following faith goals for the ministry to pursue:

- To reach 8.8 million people with the gospel
- To multiply 555,000 new disciples
- To train 29,000 leaders
- To plant 23,000 churches
- To deploy 1,225 workers to the field
- To engage with 70 unreached people groups

Prayer:

Kurt and the leadership team covet your prayers that the Lord would use East-West effectively to reach these goals this year so that lives will be transformed by the gospel of Jesus Christ for God's glory!

Please also pray that the Lord would grant His wisdom to our leadership team as we seek to launch a new mission initiative in 2026.

Please pray that God would bless and protect all of the families involved with East-West globally, as well as our precious ministry and national partners.

Lastly, please pray that the Nelson family would seek Christ first over every aspect of their lives.

## American Heritage Girls

American Heritage Girls - The troop started off the month by visiting Columbia County Fire Station #3 to go along with the requirements for the Survival, Search, and Rescue badge. During our visit there, fireman responded to 3 different calls, and we were able to see firsthand the important work and the demanding schedule our first responders experience. We were also able to deliver the care packages the girls made for the firemen, along with a few other treats. Before our break for Christmas and New Years, we held our annual cookie exchange, which has become a favorite tradition. Our weekly meetings resume Monday, January 5th and we have a few exciting events coming up in January. We have an Outdoor Skills Bootcamp planned, our Mid-Year Court of Awards & Talent Show, and a service project to make posters for Night to Shine, one of our favorite events of the year. We continue to welcome new girls aged 5-18 to the troop as well as adult volunteers. If you are interested in joining our troop or volunteering, please contact Jen Zamora at [ahg@christchurchpres.org](mailto:ahg@christchurchpres.org) or 954-478-2611.

Trail Life GA-2215 closed out in 2025 with much activity. The troop conducted our annual Flag Retirement ceremony when several flags were respectfully retired. Navigator and Adventurer trailmen instructed Woodlands trailmen in flag etiquette and made sure each trailman knew how to properly fold the flag. There were several flags which we did not retire since they were still serviceable. With regular use, flags can become soiled, but a trip to the laundry machine can restore them.

Matt Linton led a group of Navigator trailmen for an afternoon of paintball at Augusta Paintball field.

On December 15, we had our Lessons and Carols service which we had to bring indoors due to the cold temperatures although the trailmen got to enjoy a campfire afterwards.

Finally, several Woodlands trailmen delivered Christmas cards to residents of Revela.

You can learn more about the national impact of Trail Life USA in the 2025 annual report titled "Strong Men, Strong Churches" at <https://info.traillifeusa.com/2025-annual-report>.
