BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

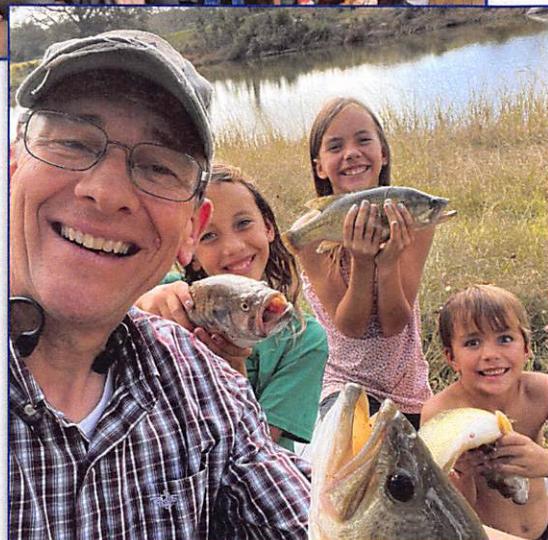

Furlough is a great time to connect with the Stateside family. Not everyone is in this picture, but it is the best representation for now! We have traveled 7 weeks and reported in 8 churches across the Southeast.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through our website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

Mimi and I have had many opportunities to MAKE MEMORIES. This was one of them!

Dad finished his treatments in mid-November, and we are hoping he will soon regain strength after some extreme fatigue.
