As we have entered into the fall season, we are reminded that there is a continual harvest of souls on every street, within each neighborhood, in every area of the world. In fact, anywhere there are lost people, there remains a harvest ready to be reached. This is certainly true as we have opened the doors to our community at Ebenezer. As God continues to work, there are hearts that are responding to the message of the Gospel and lives that are being transformed. We have had two more persons pray to receive Christ this month, and new people from the local community continue to visit ECC for the first time. Glory to His name!! Our first New Believer's Class is now meeting with an average attendance of 7. We are excited to be able to come alongside brothers and sisters who are now members of God's forever family to encourage them in their new-found faith by giving them vital tools that will help them grow in Christ.

Thank you to all who brought coats and gave monetary donations to help our winter coat drive become a success. The team at ECC had the privilege of providing many coats, hats, and gloves to members of the community and beyond. On Oct. 13th we hosted our quarterly family fellowship meal with an attendance of 37, including 2 first-time visitors. Please continue to pray as the team prepares for our first community Thanksgiving meal, which will be held on Tuesday, Nov. 26th. We will open our doors and offer a meal to people in the neighborhood from 4-7 p.m. We are asking God to allow us the privilege of sharing the love of Christ and extending an invitation to attend ECC to those looking for a church family. **To accomplish this goal, we need your help. We are in need of 38 pies and people to help cook the Thanksgiving dinner. Please call the church office (304-736-7676) to volunteer.**

Pam and I, as well as the entire Ebenezer team, are so grateful to God for all He is doing in our church, and we are thankful to Pastor Lemming and the staff and membership of Lewis Memorial for the love, prayers, and support that makes our ministry possible.
