Prayer Letter

February 2024

Fast-paced Ministry

The new church plant in the city of El Progreso is just a few months old, but already taking great strides. Pastor Daniel Pineda is leading the young congregation by preaching an expository series through the book of Ephesians. The Iglesia Bautista Gracia y Verdad (Grace and Truth Baptist Church) had their charter service on January 28 with eighteen charter members. Matt had the privilege of preaching for the organizational service. His message was out of Hebrews 10 on "A Committed Body." Please pray for this new church that it will soon grow into an autonomous, healthy church that will have a gospel impact for generations to come.

Every February we host an enrichment conference for missionaries in our region, and it has become a favorite event that many families plan as a yearly getaway for fellowship and spiritual renewal. This year's speaker for the conference was Pastor Tate Thronson of Castleview Baptist Church in Colorado. We enjoyed two nights of good food, fun games, soul-stirring music and challenging messages from the Word of God.

In mid-February we traveled to San Miguel, El Salvador, to participate in the 51st anniversary services for the Tabernaculo Bautista, founded by BIMl missionaries Bob and Patsy Green. This church is having an amazing impact in the region and around the world. Matt had the privilege to preach nine times over the course of the conference. We had been to the anniversary conference five years before when we still had three little boys at home, but this time it was just the two of us. We had a special time of fellowship!
