Prayer Letter

September 2024

During the summer Matt had the privilege of officiating a wedding for Dixon and Astrid, two young people in our church. Interestingly, we found a journal entry that Jadon had made on the exact same date eight years prior, praying for Dixon and his friends. Dixon had spent the last few years away from the Lord, but his friend Jadon's death was what God used to bring him back last year. What a special moment!

Earlier this month, we hosted our third surgical team of 2024 with Medical Missions Outreach. This team consisted of 17 team members, including a general surgeon and a gynecology surgeon. In four days they performed 33 surgical procedures without charge for patients that had been languishing in the local health system waiting for an opening. In addition, our local church provided over 20 volunteers that worked to provide logistical support with meal preparation, registration, evangelism, translation, and security. Each patient and family member received a gospel presentation and prayer. Pray for spiritual fruit!

How to Pray

- a van for the church plant in South Progreso
- house parents for the children's home
- young men to answer the call to ministry
- recovery and gospel follow up of surgical patients
- upcoming surgical team with orthopedic and dental cases

Gospel tract using Jadon's life and testimony

At the time of this writing, eighteen months have passed since our precious middle son was taken home to be with the Lord. The journey continues to be difficult, but God's grace has proven to be sufficient. Dallita wrote a brief gospel tract using Jadon's story, and a friend put together a nice presentation that we want to make available. May God use this tragedy for His glory!
