## Dear Friends

While we were traveling in the USA this summer, our property in Durban was broken into. The burglars stole my bike, Darin's helmet, copper pipes which sent water shooting outside the garage, and they hurt our dog Samson. Friends came over right away to help make some temporary fixes to the wall and pipes. It could have been much worse. We are still finishing up wall repairs and beefing up security around the house. Samson had to have his toe amputated, but he is slowly healing. We praise God for His faithfulness through the ups and downs!

## A Cool Thing

In December our fellowship of Baptist churches has an amazing evangelistic outreach to the youth in our province. We hold a 4-day Christian camp filled with fun activities, dorm devos, great food and spiritual teaching. This camp is life changing! Kids get saved and dedicate their lives to Christ. It only costs \$40/kid, but that is a lot of money for families in Durban. We have 25 kids/counselors that want to go to camp. Will you help us raise \$1,000 so every kid from our youth group can go to camp this year? Please send your donation to our ABWE account and mark it Crossroad's Camp Fund. Thank you for investing in the lives of these awesome kids.

## Heritage Day

On September 29<sup>th</sup> we had our Heritage Day celebration where all our diverse backgrounds come together to praise our Heavenly Father who created us in His image.

## Thank You!

We are very grateful for those who have given to help repair our property and up our security. Thank you so much to those who have prayed. We feel your love and God's peace and protection.
