Dear Friends

We had a wonderful opportunity in December to attend the wedding of our local vet. He lost his wife during Covid and has 2 children. The new couple asked Darin to officiate the wedding. The vet is Hindu, and the bride is Catholic. They asked Darin to preach in front of their family and friends for 30 minutes about the love of God. Darin was very nervous knowing he could not share about God's love without talking about Jesus. He did a wonderful job sharing the Gospel, planting a seed in the hearts of many who were there.

Another Cool Thing

Our family had the privilege of hosting two interns this past term. Ruben and Caitlyn were a blessing to our family and ministries. They each are gifted and helped the Durban field greatly. We pray God's blessing upon them and would love to have them come back to serve Jesus with our team.

Some Other Stuff

Please keep the Malimela family in your prayers. They are dear friends of ours who had to relocate to Joburg from Durban for the father's work. The 4 kids need to find schools and the mom is on dialysis and is in a lot of pain. They are really struggling, missing Crossroads as their church family. They are pictured below.

Please pray for us...

PRAISES:

- New potential teammates arrive in February for survey trip
- Five kids were saved at senior youth camp!

PRAYER REQUESTS:

- For Kathy as she counsels an unsaved youth
- Lexi's senior year of high school

Christmas

It was a blessing to have Ella with us for Christmas. She was a counselor at youth camp. The time went fast, but we enjoyed every minute with her!

Benevolence

Part of sharing the Gospel is sharing the love of Jesus. Giving Christmas dinners to those in need is a highlight for us!

He must hold firmly to the trustworthy message as it has been taught, so that he can encourage others by sound doctrine and refute those who oppose it. Titus 1:9
