## SERVING IN

### FISANTEKRAAL, SOUTH AFRICA

## JUNE 2025

Titus 2:11-14 says: "For the grace of God that bringeth salvation hath appeared to all men, Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world; Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ; Who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a peculiar people, zealous of good works."

Praise God for the blessing that He doesn't just save us and give us eternal life, but He redeems us so that we can do His work. We are grateful for the many opportunities to share the Gospel and serve Him here.

Six of our young people that were recently saved, were baptized in April. Praise God for their obedience to God and the testimony of their salvation and God's work in their lives. Some of those who were saved in the past year still need to be baptized and many of them struggle with this step due to their cultural and religious backgrounds. Please pray that God will help them choose to follow Him in this step of obedience.

The VBS, run by a team from Washington state, that we held in April was such a blessing! We were able to share the Gospel daily with an average of 300 kids. But it also opened up opportunities to share the Gospel with adults that were interested in what was going on with the kids. We had many of these children and some visitors attend church in the weeks afterward. Please pray for those who heard the Gospel that they might come to faith in Jesus alone.

We have been asked to assist in planning and running the Winter Camps in July. A number of our young people will attend. Please pray for wisdom and grace for all serving at the camp that God will use it for the salvation of many and for God's work in those who are already saved.

Our Bible School students continue to be faithful in studying and doing their assignments. Please pray for those who are being trained for ministry and that God will raise up more pastors and missionaries.

It is encouraging to see the work that God is doing in the lives of those being discipled. At times we also face discouragement as we see some that are not willing to learn or listen to God. Please pray for God's intervention in the lives of those struggling and for His continued work in those obeying Him. Please also rejoice with us as we have seen some exciting growth in some as well!

Praise God with us that our co-worker, Terry Miller, finished her treatments for cancer and that she is in total remission! Please pray that she might remain cancer free and that she'll continue to regain her strength!

Zane finished kindergarten last week and is reading more and more. We are grateful for God's work in his life and his desire to ask people if they know Jesus and to give tracts wherever we go.

We have been praying for quite some time about the need for a 14 seater van to assist us in transporting people to church. The cost at the current exchange rate is approximately \$42,000. We praise and thank God that our home church, Emmanuel Baptist Temple, is giving \$10,000 towards this need. If you are able to assist with this need, it can be sent to Daystar Baptist Mission and made out to the Cape Town Project Fund with a note or memo that it is for "The Van". Alternatively, you can also give electronically using the QR code. Once you open this page, you can simply select "Cape Town Project" as the project to which to give.

Thank you for your continued love, prayers, and support in God's work here. We appreciate each and every one and we are praying that God might bless you greatly!
