

Dec 2023

Dear Prayer Partner,

We extend warm greetings to each of you in the name of our Lord and Savior, Jesus Christ. We thank you for your prayers and support. We want you to know that your prayers matter, and therefore we ask you to please continue to pray for us and for the ministry in Saipan.

Prayer is the lifeblood of any ministry. It is through prayer that we gain the strength, wisdom, and courage to carry out God's work. We believe that when God's people pray, God opens doors, and hearts are transformed. Your prayers can make a difference in Saipan, even if you are thousands of miles away. In fact, we learn from the Book of Acts the people of God prayed for the enablement of boldness in the midst of persecution, and God gave Peter and others just that. We ask you to pray that we, too, will proclaim the Gospel with boldness and confidence. Our words may not impress anyone, but no one talks back when the Holy Spirit God intervenes. What we proclaim is foolishness to the world, but for those who are saved, it is the power of God (1 Cor. 1).

Ministry Updates:

The church planting ministry continues to progress. We are inviting many to come and join our services. Some are being “kind” and tell us that they will come, but something holds them back. Others come and visit us. Some promised to come, but they haven’t visited us yet. We are fervently praying for their salvation. Our church typically sees an average gathering of 6-14 individuals, with attendance varying from week to week. We ask you to please pray for them. Each soul is precious, and your prayers can help break down the barriers that keep them from embracing the full truth of the Gospel. With heartfelt gratitude,

Joel, Stellah & Enoch Madasu
