

One of the 1st grade groups sang for chapel.

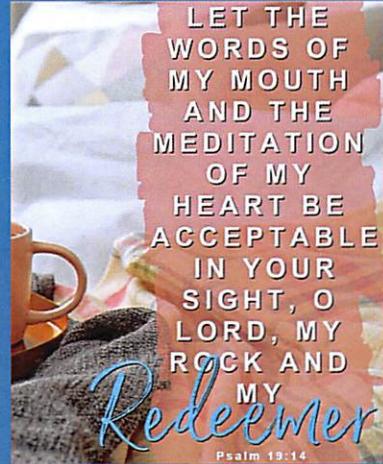

A parent of Las Palmas (and fellow missionary) shared with students during chapel.

## HOW CAN YOU GET INVOLVED?

- Pray for the DRVision ministry. God is working and I am so thankful to be part.
- Give financially: All financial gifts allow me to continue with DRVision.

*Thank you to those who pray for us and continue to give financially. God is doing so much at Las Palmas and IBEM. We appreciate all you do keep*

Hannah and I recently memorized Psalm 19:14 together. This is our verse for 2025.

Iglesia Bautista Evangelica de Macoris. God is working. We have a full auditorium every Sunday.

## MISSIONARY TO THE DOMINICAN REPUBLIC

### WE ARE...LAS PALMAS

We are having a great school year. We are halfway through the school year and it feels like time is passing very quickly. We just finished Dominican Independence Day activities (Independence Day in the Dominican Republic is February 27). We are thankful for all God is doing in the school.

In March we are excited to welcome different mission groups to the school. They will read with our students, practice English, and lead some physical education classes. Groups are a huge blessing to us throughout the school year.

### PRAYER REQUESTS

- Salvation of students and their parents.
- Teachers for the 2025-2026 school year.
- Financial needs.
- Wisdom as we raise Hannah and Chloe.

### PRAISES

- The school continues to grow.
- IBEM is doing well.
- Hannah and Chloe are healthy.
- Overcoming challenges as I lead the elementary school.

New student enrollment has started in the preschool. Spaces are quickly filling up. It looks like the elementary is already full for next school year. We are still looking for teachers for next school year and appreciate your prayers that the Lord would send the right people to join our team.

### IBEM

Our church is thriving. Each Sunday brings a full auditorium. In February, 9 people were baptized. We are thankful to be part of this church and see God working.

The last 2 weeks have brought the ministry fair where members of the church could learn about how they can become more involved in the church

### MORLA FAMILY UPDATE

Hannah is thriving at school. We are excited how much she loves it. Although she understood Spanish before starting school, she is using her Spanish a lot more. Hearing a 3 year old switch from Spanish and English is so cute.

Chloe is on the go. She is crawling and pulling herself up. She is so much fun and she loves her big sister.

Since my last prayer letter, our family had our first trip to the states. Jean Carlos enjoyed spending time with my family. He, Hannah, and Chloe experienced snow for the first time. We are thankful for that special time and are looking forward to our next visit.
