

# WINTER 2025 NEWSLETTER

## 2024 IN REVIEW

2024 was a great year at A New Beginning. We **hosted** our 1st Walk for Life in Ritter Park and had a great community turnout!

We continued to **grow in numbers** of women and families served and made connections with other organizations in the Huntington area.

We were **blessed** by the individuals and churches who **partnered** with us and ended the year energized for how God is going to use ANB in 2025!

## 2025

We have had a significant increase in the number of women and families we are serving. We hope to offer in-person parenting classes this year and host our second Walk for Life in June.

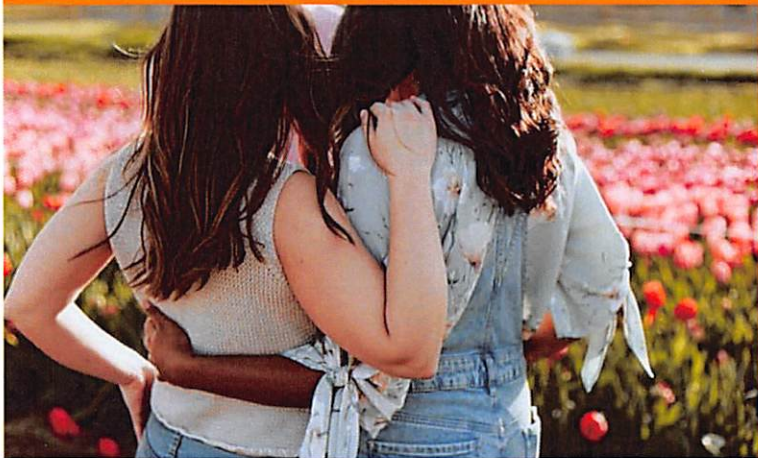

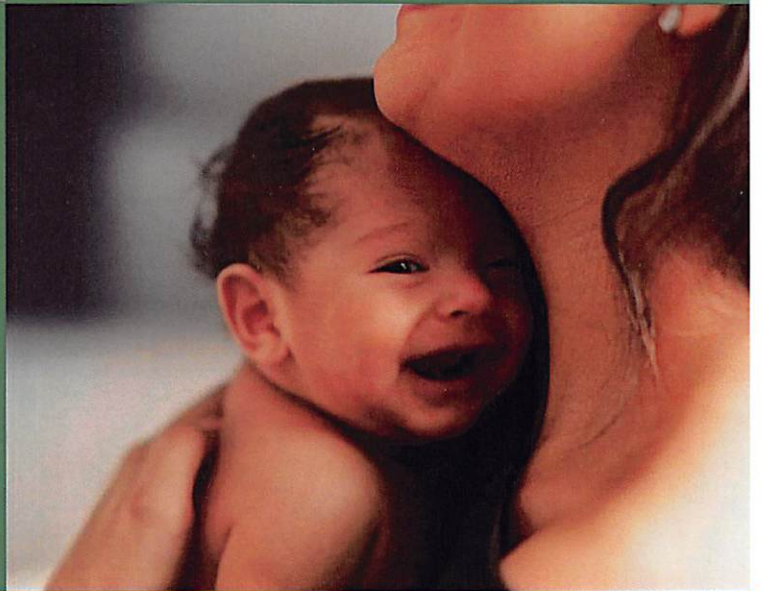

## 6 ways to support ANB

- Pray
- Donate Items
- Consider volunteering at the center
- Consider hosting a Baby Bottle Fundraiser
- Consider becoming a monthly sponsor
