Dear Pastor and Church Family,

As Spring is slowly coming to the Far North I am reminded of what the Bible says in Ecclesiastes 3:11 “**He hath made everything beautiful in His time....**” God is good to us in how He created the seasons and how He is providential in this world and in the affairs of men. He is worthy of our trust!

With Spring also comes much work to clean up after the aftermath of winter snow. As I was working at the church, the Lord gave an opportunity to witness to our neighbors, the former owners of our building. I have noticed that here in St-Quentin, many of the open doors to witness are centered around either hard work or sports. These things are a big part of life here, which people understand and enjoy. “Come sit down for a while and take a break!” was my invitation. I gladly did so and soon after came the questions: “So what do you believe and what is the difference between your church and the Catholic church?” The Lord allowed me to witness for about forty-five minutes and at the end of our visit the couple said “Thank you for that Bible lesson today.” I was amazed at how the Lord opened the door! I felt the Lord’s hand upon our divine appointment and was totally blessed. This is a successful couple who is well respected in the community. They finished by saying that they will come visit the church. We know that God is working in their hearts and pray that they will accept Christ. - “**He hath made everything beautiful in His time...**”

Praise the Lord, our new church signs are up and people are taking notice. As I was cleaning at the church one evening, a couple noticed our signs and stopped by. I was able to give them a Bible and they came to our Easter service the next day. We were also able to finish our renovations which helps immensely. As with any project, the more we do, the more we see that needs to be done. Please pray with us that God will provide for these needs and that He will continue to use these improvements for His glory. - “**He hath made everything beautiful in His time...**”

Thank you for praying for Jennifer’s health. She had her six month visit with the oncologist and she said that there are no signs of cancer. Praise the Lord! We are so thankful for faithful friends and family who lift us up in prayer.

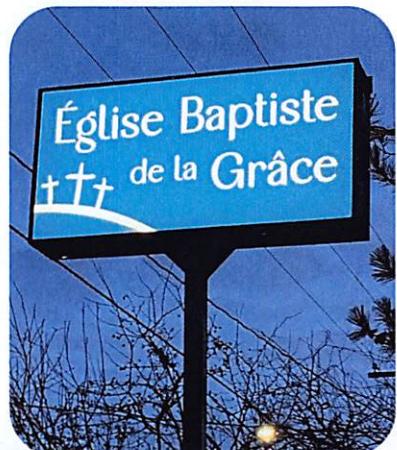

Our family continues to grow with the announcement of another grandchild. Nathan and Rachel are serving the Lord in a wonderful church in Wyoming and are expecting a baby girl. Our oldest son Jim and his family are located in the Middle East. Brian lives in California as well as Justin and Holly. They are all serving the Lord in their local church. Isaac and his family live in Idaho and keep very busy in their local church as well. The Post clan is spread out West and around the world. I’ve always said that at least there are enough of us Posts to build a fence no matter where we are located!

Please continue to pray for souls to be saved here in French-Speaking Canada. Pray that we will recognize and seize the opportunities that the Lord gives us and gives to our young church to be a witness for Him. We are hearing testimonies of lives changed in our small work which is beginning to draw others to Christ. - “**He hath made everything beautiful in His time...**”

May the Lord bless you richly,
