Church Plant Catalysts in Utah

February 2025

Continue to Pray:

- Pray for our adoption to finalize soon. Our countries immigration system has slowed this process.
- Pray for us as we make plans to build a church building on our newly acquired property.
- Pray for our upcoming missions camp with Bob Jones Academy
- Pray for our upcoming church planters conference on March 14
- Pray for missionary Keegan as he visits Utah field and considers the opportunity to serve fulltime
- Pray for 3 new missionary ladies moving to Utah to help with church plants.
- Pray for our Former Mormon Conference for those that have recently left the Mormon church
- Pray for our family as we continue to lead and serve the Utah field.

As 2025 began, so did a busy and exciting start to the new year. As I reflected on all that has happened, I realized just how much I could share in this letter. To keep things brief, I'll give you a few snapshots from the first part of this year.

Before I do, I want to assure you that even though our calendar is full, our family is doing well. We are enjoying this season of life, and everyone is healthy. In fact, Stacy and I just

Weekend Youth Conference

returned from a sweet date night together, and the first weekend of February, I took my three teenage boys to a youth retreat with over 200 other teenagers from Utah. We had a wonderful time, and the Bible teaching was especially encouraging for our kids.

I continue to serve as the Church Plant Catalyst for Biblical Ministries Worldwide in Utah, overseeing more than 25 missionaries. Overall, our church plants are doing well. Just this past month:

- One church expanded its facility to double its size.
- Another church plant is transitioning to two services.
- A third church plant is actively seeking a larger facility to accommodate growth.

However, one of our churches is facing a difficult time. The lead pastor, Delton, was recently diagnosed with an advanced case of prostate cancer and has a challenging road ahead. His wife, Joelene, is faithfully walking alongside him. Please pray for them during this season.

Delton and Joelene

Looking ahead to March, we have several significant ministry opportunities:

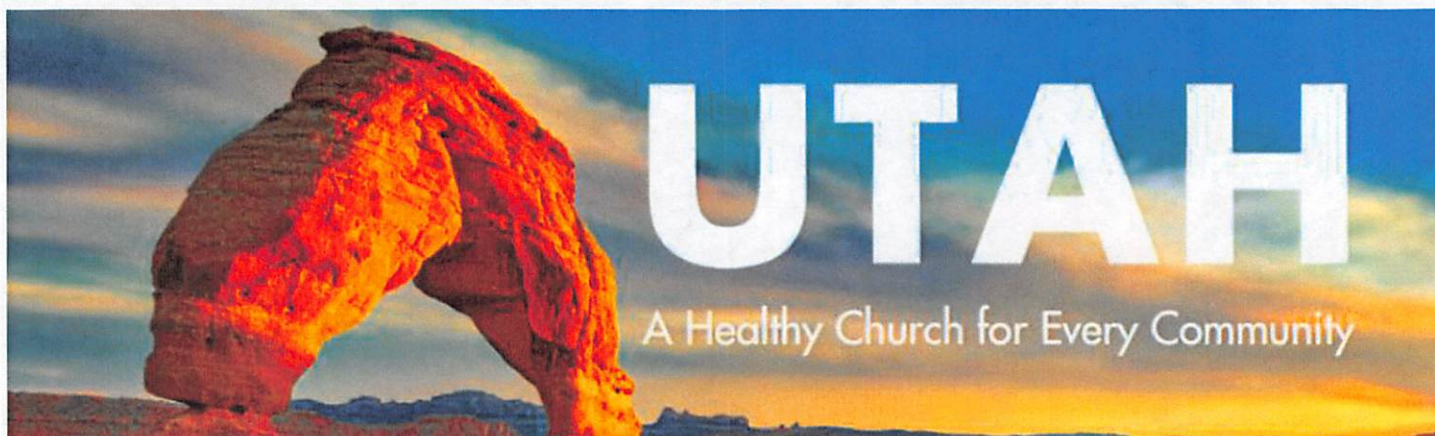

- **Bob Jones Academy Missions Camp** – We are hosting 45 high school seniors and faculty for a six-day missions camp, training them to share the Gospel with Mormons and serve alongside church plants.
- **Missionary Visit** – Keegan, a missionary recently returned from New Zealand, will be visiting Utah to explore the possibility of full-time ministry here. Please pray for clarity as we seek the Lord's direction together.

Keegan

Thankful for LMBC and your
heart for missions!

Stacy

- **New Missionaries Arriving** – Three new female missionaries will be moving to Utah to serve in different church plants. We are excited to welcome them!
- **Church Planters' Conference** – We are hosting a summer camp for church planters, expecting 100–150 attendees, including children. Please pray that this event will be an encouragement to the entire church planting family—that the fellowship would be sweet, the sessions uplifting, and that even the children would be blessed by the time together.

Karisa is one of our new missionaries

In addition to these upcoming events, I recently wrapped up two teaching opportunities:

- **Marriage Conference** – We had 24 couples attend, ranging from newlyweds to those married for decades. It was a refreshing and encouraging time.
- **Christianity 101 Class** – Over five weeks, I walked 30 people through the foundations of the Christian faith, helping them see why Christianity is reasonable and life-giving.

Starting February 19, I will begin a **Living the Christian Life** class, guiding 25 students through five weeks of practical biblical teaching.

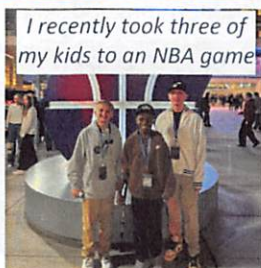

At the end of February, we are hosting a **conference for former Mormons**. Over the past year, many individuals have left the LDS Church and become part of our congregation. We wanted to create a space for them to connect, learn biblical truth, and engage in a Q&A session. We anticipate several dozen participants.

Additionally, a **Ugandan national pastor named Peter** will be visiting our family. We've been working alongside him to plant churches and rescue children from trafficking situations. Please pray for his ministry and our time together.

Nathaniel and Stacy Wall

Finally, if you know a church or individuals looking for a **great summer missions opportunity**, please check out FaithElevatedUtah.com. This June, we are hosting a missions camp where participants will be equipped to reach Utah for Christ. The cost varies based on airfare, but most teams spend around \$1,000–\$1,100 per person. It's an incredible, life-changing experience. The QR code will take you to the link.

I recently took three of my kids to an NBA game

Please keep praying for **Robert's adoption** and for the **future church building** we hope to establish in Lehi. It will become a hub for ongoing church planting.

Thank you for your prayers, encouragement, and support. Utah is estimated at less than 2.5% Christian. We need your help to keep moving forward. We long to see a healthy church in every Utah town, and the Lord is

doing a great work—through your partnership and prayers!
