Missionaries to New Brunswick, French Speaking Canada

October 2024

Dear Pastor and Church Family,

Thank you for being so faithful to pray for us and for our ministry. God is always good and He is always faithful. The Lord has answered prayer in a wonderful way.

As I mentioned in our last prayer letter, we are in Oklahoma treating Jennifer's cancer. Her surgery went well and the doctor said that the cancer was contained and she was able to remove everything. Praise the Lord! We have one last appointment on October 22. Lord willing, we will return home to New Brunswick on October 23. We know that the Lord is in control and pray that He will be glorified in all things. So many friends and family have expressed their love and concern during this time. We are very grateful. Jennifer is healing well and is getting stronger everyday.

Our church is doing well in our absence. Our people seem to be bonding closer in the Lord. We have created group chats for the church on Messenger and WhatsApp. We have been recording our services in French at Jennifer's parents house and sharing them through YouTube. God is blessing our efforts, but everyone is ready for us to get back to services in person.

We were blessed to be able to attend the mission's conference at our home church. The preaching was refreshing and it was a blessing to be around the young missionary families. Praise the Lord for missions!

We were saddened to hear of the passing of our dear friend Ron Bragg. Brother Bragg was our Africa Director with BIMI for many years. He had a great heart for missionaries and their families and will be missed by many. Mrs. Bragg is in our hearts and prayers.

We have several supporting churches that have been affected by Hurricane Helene. With such devastation, only the Lord can help and console during this time. We pray for so many who have experienced unimaginable loss. May God's grace surround those who are hurting.

Please pray for these following needs:

- Jennifer's health
- God's blessings on two mission's conferences and a meeting this fall
- God's provision for hospital bills and travelling expenses

Thank you for your enduring support and faithful prayers. God is using you in our lives as well as the lives of many through His Gospel that we have the privilege of sharing.

In Him,
