February 1, 2026: ***“Filled with the Spirit” (Repeat)***

Text: Ephesians 5:15-21

Hello Church Family,

This coming Sunday, we will be reading Paul's context for a few important relationships we have as humans. In this passage, Paul encourages two things. First, be careful how you walk through life. Second, live filled with the Holy Spirit. This can be found in Ephesians 5:15-21. The next few Sundays, we'll be navigating the marriage relationship, parenting relationships, and work relationships. To be sure, a few of these passages are the most misused and abused passages in all of scripture.

We've been walking through Ephesians for several weeks now. Paul has reminded us who God is. He's described who we are. He's talked about how we were 'dead' in our sins, but how we are now ALIVE with Jesus! And now, Paul says live like this! Live ...alive in Christ. This can happen because we are living with the Spirit of God in us. And, we get to do this together! We are the church. We are the body of Jesus here on the planet. Sharing. Showing. Loving. Serving. We are light in a dark world.

Our relationships with others are super important. Paul says, live inside of these relationships with the Spirit of God in you. And if you do...this is what these relationships will look like.

This is what we'll begin to jump into. We'll see you on Sunday!
