Worship Notes

*...making our worship more
meaningful & understandable*

If you are tuning in to Cherry Creek,
welcome and thank you for worshipping
with us on this Sunday morning.

Mission Spotlight. Too often, we as a church are tempted to have our heads in the sand. We operate by the tyranny of the urgent. The danger of this is that we forget that we are part of a global Church which transcends cultures, denominations, and even time. And God has called His Church to be a missional people. As we seek to love like Jesus, Mission Spotlights most often help us lift our heads above our current circumstances to see what God is doing around the world through the prayers, work, and resources of our church.

What the Greeting embodies. When we greet one another, we are not merely shaking hands and saying "hi." We are enacting with our bodies and minds the reality of the reconciliation that God brings in Christ. When God reconciles Himself to us—when we are no longer enemies, but friends—we are given all the tools and power to be reconciled to one another. When we greet, we embody the counter-cultural, paradoxical nature of the unity of the Church. We are saying, in our actions, "God forms communities out of unlikely friends...this is the radical nature of the cross."

from darkness to light,
and from death to life,
through Jesus Christ, our Lord. Amen.

May We Pray With You? When we join together in prayer, there is a particular power available from God. If you would like prayer and/or prayer for healing, please come forward after the service to find a pastor or elder and we'd love to pray for you and/or anoint you with oil (per James 5).
