## The Vision

Volume 50  
Number 2

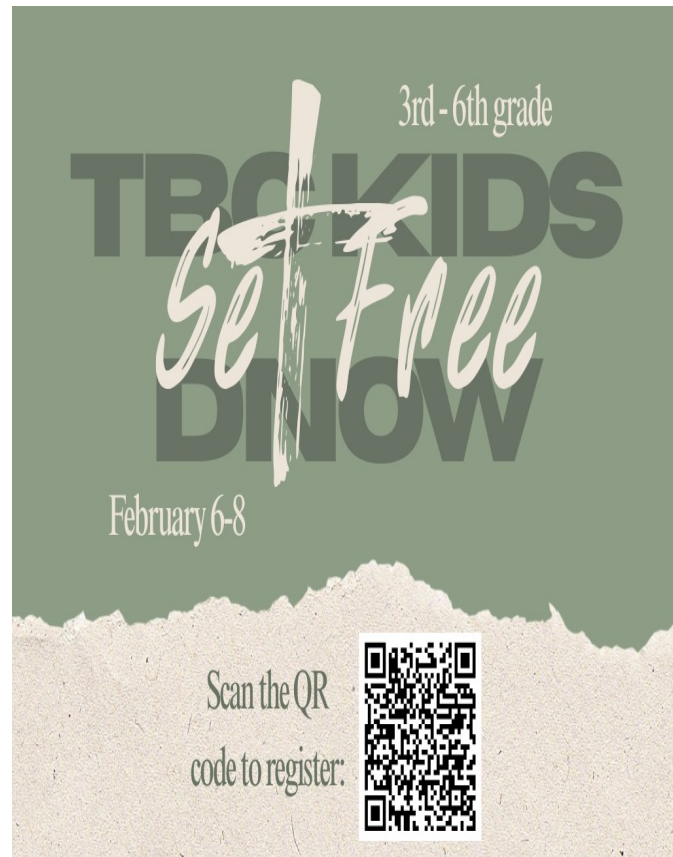

February 1, 2026

"And we know that in all things God works for the good of those who love him, who have been called according to His purpose." Romans 8:28

### From the Pastor's Desk

As I read Job's words in 19:23-24, "Oh, that my words were recorded, that they were written on a scroll, that they were inscribed with an iron tool on lead, or engraved in rock forever," I felt like the Lord spoke to me in my time of sermon preparation and said that I need to write out my testimony and life story and give it to my family members. I also felt led to challenge the church to do the same. If you have not done that I want to remind you of that challenge. Someone told me it was hard to write it down, because they would not be proud of what they would have to write. Well, that is when you write your commitment to make your life different and let that be a promise to your family. I wrote out my testimony, not just of my day of salvation, but of how God has worked in my life. It was about four pages long. I sent it to my immediate family, our staff, and the guys in the ministry that have come out of our church. It was a blessing to have some meaningful conversations as a result of that. However, the greatest blessing was from my daughter. I emailed it to her, and probably within twenty four hours, I received a text from her to check my email. In response to my testimony, she had written hers out, also several pages, and sent it to me. I sat here late after church last Wednesday night reading her testimony in tears as I was so grateful for a young lady that had become spiritually mature. What a blessing that was! I am telling you, take this challenge and do it, and I believe it will be a blessing for you and your family as well.

God Bless,  
Bro. Ty
