Series Outline

For the first time ever, The Bridge children's environments and student's environment curriculum will all align together with our main stage series! The purpose of this is for everyone in your family to learn and understand the same message about Jesus and be able to have conversations together. Each environment will be adjusted for age appropriate understanding. We pray this provides some of the tools you need for your family to KNOW AND FOLLOW Jesus better.

Week 1:

Bottom Line - God is always with me

Bible Verse - Joshua 1:9 - God is with me wherever I go

Week 2:
