## FAITHFUL WHEN FEELING AFRAID

### 2 Timothy 1:1-7

**BIG IDEA:** God has given us a spirit of power, love, and self-control, enabling us to serve Him faithfully even when we feel afraid.

# APPLICATION GUIDE

AUGUST 18, 2024

## DISCUSS

What's something you were once afraid to do, but looking back, you're glad you took the leap?

How did that experience shape your faith and confidence in God?

## APPLY

What assignment has God called you to fulfill? How has he equipped you to fulfill it?

Can you identify areas where fear is holding you back? Which of God's promises addresses the particular fears you face?

How has the Lord proven himself faithful to help you in the past?

How can you fan your gifts into flame?

How can you practice power, love, and self-control instead of giving into your fears?

## COMMIT

This week, commit to identifying and intentionally using one of your spiritual gifts in a new or renewed way.
