

# SERMON NOTES

## A FRAMEWORK FOR FAMILY DISCIPLESHIP

### Selected Scriptures

**BIG IDEA:** By God's grace, we can create and sustain a culture of Christian discipleship in our homes through consistent Christ-centered modeling and mentoring.

# APPLICATION GUIDE

## DISCUSS

Share a story where you saw someone model Christ-like behavior that impacted you or someone you know.

Discuss the challenges you face in prioritizing time for family discipleship. How can these be overcome?

Share a recent unplanned moment where you were able to have a meaningful spiritual conversation with your family. What triggered it, and how did it go?

Why is it essential to celebrate spiritual milestones in your family? Share any personal experiences with this.

## APPLY

In what ways can you authentically and consistently model a life devoted to Jesus within your family?

What are some ways you can repurpose existing family time to include spiritual discussions and activities?

How can you stay attentive and ready to seize teachable moments in everyday life?

Discuss examples from Jesus' life where he used ordinary events to teach profound spiritual lessons. How can you apply this approach to your family?

What milestones can you start or continue to celebrate in your family to reinforce God's faithfulness?

## COMMIT

Don't try to create a framework for family discipleship in your strength. Prayerfully rely on God's grace to help you create an environment where your family can grow in their love and knowledge of Jesus Christ.
