

SERMON NOTES

No Common Book

1 Thessalonians 2:13

BIG IDEA: In 1 Thess 2:9-13 we will observe one dimension of Scripture and four following implications that we might treasure this book as no common word.

DISCUSS

If the Bible was not the Words of God but instead merely contained some true information about God and people, how would that change the Scripture's inherent value?

How should God's omnipresence affect how we read and respond to God's Word?

How should God's omnipresence affect how we read and respond to God's Word?

How might the other attributes of God, such as his sovereignty, eternality, unity, and immutability, affect the way we read God's Word?

APPLY

What steps can you take to guard against the temptation to view God's word as common and easily dismissed?

What are the signs that God's Word has taken a tertiary role in our life, and what steps can we take to grow our delight in and esteem of God's Word?

What do you need to remember about God so you might turn and trust in him instead of idols of your own making?

How would you say our time in God's Word affects our relationship with him?

COMMIT

Today, will you commit to pursuing God's Word in with humility and diligence by spending time in it daily, seeking to know God and follow him more closely.
