

Dear Bishop Clark -

Grace and peace to you in our Lord Jesus Christ.

We have received and read your Sacred Pastoral Directive, which was first shared with our Rector and Wardens on March 23, 2023, and shared to the Vestry on September 14, 2023, together with the Addendum of September 29, 2023, and also your clarification e-mail of September 30, 2023.

We are concerned that portions of the Directive and Addendum may be contrary to ecclesiastical and civil law. We hereby notify you that we are seeking counsel as we consider our further response, which we will submit within 60 days.

Please be assured that you remain in our prayers.

The Rector and Vestry of Trinity Anglican Church

*Adopted by unanimous resolution on October 1<sup>st</sup> 2023.*
