MSM FELLOWSHIP CHURCH

A Better Way

OVERVIEW:

February 15, 2026

Genesis 1 and 2

This morning Zach will be joined by his wife Sarah as they lay a foundation of what the Bible says about sex. We will see the Bible tells us that:

1. Sex is good
2. Sex is purposeful
3. Sex isn't everything

Ways To Encourage Your Student

- Ask your student if they remember the three things Zach and Sarah said the Bible says about sex
- have a discussion about how what the Bible says about sex is different from what the culture says about sex
- share with your student why you believe that God's design for sex really is the Better Way
