# A BETTER WAY

MSM FELLOWSHIP CHURCH

## *A Better*

## OVERVIEW:

February 22, 2026

Carleen and Dylan will continue our series as they talk about dating. As Zach talked about last week, the filters our culture wants us to see dating through can obscure it's real purpose.

Culture wants us to see dating as:

1. An experiment - date as many people as you want, experiment socially and physically
2. A waiting room - a weird middle ground between brother and sister and christ and a covenanted relationship.
3. A time of isolation - ok to push others like friends and family aside in order to focus on the relationship

Dating is:

1. A time to listen to the Holy Spirit and a time to grow in your understanding of God's will for your life
2. A time to get to know one another

To wrap up the discussion, Carleen and Dylan will share THE Flowchart - some questions to consider before entering in to a dating relationship.

## Ways To Encourage Your Student

- Ask your student what stuck out to them about Carleen and Dylan's teaching
- . Ask your student about the flowchart! Have a conversation with them about what your expectations and rules are as a family about dating
- Pray for your student to see dating as a way to grow in their understanding of God's will for their life
