## A Big Opportunity in June

In most churches, there are two times a year when we have the best chance to make a meaningful impact: **Easter and Christmas.**

These are times when people (who don't show up any other time) make their semi-annual return the church.

They are also times when non-church attenders might be most prone to attending with a friend or family member.

But here at **FBC** we have a *third* opportunity that not every church does: **Vacation Bible School.**

It's easy to take VBS for granted. We've done it for decades. But the reality is, many churches are stepping away from VBS—not growing it.

That's not the case here. VBS continues to be a time when new families connect with us.

Some check out the church before registering their kids. Some come afterward because their children had such a great experience. Others meet us at our **Post-VBS—Father's Day—Backyard BB—Pool Party** (yes, it's a mouthful—and a good time).

**June is a big month.** It's a time when we see new faces, new opportunities, and new beginnings.

And that means we need *everyone's* help.

Here's how you can make a difference:

### **1. Pray**

We're going to meet a lot of people this month. Pray for the kids, their families, and our volunteers. Pray that hearts are open and that God moves in powerful ways.

### **2. Invite**

Personal invitations matter. Whether it's to VBS, a Sunday service, or a summer event—people are far more likely to come if someone they know asks them.

### **3. Help Out**

There are lots of ways to serve—especially during VBS. You can lead, assist, prep snacks, welcome families, or just be available. Every role matters.

Let's make the most of this opportunity. June could be the start of something life-changing—for someone new, and maybe for you too.

Break out the shorts and shades! Summer is here! Most meteorologists agree, summer begins on June 1st - and you know they are always right! So, happy summer everyone!

Naturally, the kids couldn't wait. They began their summer break the moment the final school bell rang. Their parents, of course, have not had a break since!

So, in honor of the summer season before us, I offer the following suggestions, praying they will help your summer be truly sensational.

### SUMMER SURVIVAL KIT

- ◆ **A Water Bottle** - To fill with the Lord, the fountain of Living Water
- ◆ **Sunglasses** - to shield your eyes from the glare of the world
- ◆ **Tanning lotion**- to welcome the "Son" shine
- ◆ **Lounge Chair** - To be "still" and "know" that He is God
- ◆ **THE Good Book** - to keep you focused on what matters - Truth
- ◆ **Beach Towel** - To wrap yourself in His peace and comfort
- ◆ **Sandals** - To walk boldly in His footsteps
- ◆ **Hat**- To protect you from overexposure from the world
- ◆ **Umbrella**- To remind you Who shelters you through life's storms and keeps you cool when things get too hot.
- ◆ **Beach Ball** - So you can be always joyful and have a "ball" no matter what is happening around you.

Enjoy your summer! Remember to cherish every day and make it count! Think of each day of summer like an empty canvas... get out there and make marks!

Once again this year our community was blessed to celebrate **NATIONAL DAY OF PRAYER** on the first Thursday of May. A good crowd was gathered at the Louisburg Middle School auditorium to pray for our nation and its leaders.

**AWANA** celebrated the close of our second year with an awards celebration on Thursday, May 8. More than 30 children participated in this program of faith, fellowship, and scripture memory. Thanks go out to our devoted church family for your financial and prayer support as well as your faithful efforts to be there for the kids. AWANA can't work without amazing missionaries like you! Look for your chance to be a part of the fun when we start up again in the Fall.

The Christian Ed Board helped our church family celebrate **GRADUATES** and **ALL WOMEN** on Mother's Day. Special treats were available for all.

LHS seniors and the community were blessed with an inspirational message at **BACCALAUREATE**. Four Salt & Light Scholarships were awarded from the Louisburg Ministerial Alliance. We appreciate having such an opportunity to hold a religious service on public school grounds.

## ABW Bible Book of the Month

### Genesis

The Book of Genesis is the first book of the Bible, covering the origins of the world and the beginnings of God's covenant with His people.

#### 1. Primeval History (Ch. 1-11):

- \* Creation: God creates the world and humanity.
- \* The Fall: Adam and Eve disobey God, introducing sin.
- \* Cain and Abel: The first murder.
- \* The Flood: God sends a flood but spares Noah.
- \* Tower of Babel: God scatters humanity by confusing their language.

#### 2. Patriarchal History (Ch. 12-50):

- \* Abraham: God calls him and promises to make his descendants a great nation.
- \* Isaac: Son of Abraham, father of Esau and Jacob.
- \* Jacob (Israel): Father of twelve sons, the tribes of Israel.
- \* Joseph: Sold by his brothers, rises to power in Egypt, and saves his family during famine.

Genesis ends with the Israelites living in Egypt, setting the stage for Exodus.

## Lynette & Brian Smith - ABC Global Servants— Dominican Republic

April 2025

Our fall was filled with back to back regional American Baptist Church events for a solid eight weeks in which we traveled from as far west as Wyoming to Massachusetts in the east. The Spirit's movement was evident in so many of the conversations and interactions of that season.

Then, we intentionally slowed down to give ourselves rest, time with family, and time for a Restoration and Personal Growth program in California. Our ten week resident time was needed for intentional pause, healing, and renewal for each of us. We have not hidden from you that our first term journey has had many challenges and transitions since we arrived on the field in May of 2019. A 'rollercoaster' for which we are grateful for and blessed by, *Did you know we could not have the ministry in the DR without our time in Haiti?* But it is also one of many stories, light and heavy; emotions; and scars that leave us changed as we are transformed by the Spirit for God's glory. We feel that God has Called [us] To More, and that *more* is for a long time. So, we want to be sure that we are processing our experiences, caring for our whole selves, and learning better and best ways to manage and navigate wherever the Spirit might lead.

PSA: It is GOOD to get help and have someone walk with you in processing events of your life and your emotions, it is GOOD to learn about yourself, and it is GOOD to learn new to you ways of responding, communicating, and renewing. This applies whether you have experienced big, major, obvious stressors AND it includes the 'little' ones which can pile up over time. It is IMPORTANT to care for yourself and being human makes us imperfect and in need of one another. In so many ways we can always use a safe someone to talk to—to listen to us, to attune to us, to see our hearts, to bear witness to our story.

God says, Jesus proved, and Spirit reminds, YOU are worth it! YOU are that valuable! ...and as much as we are able as an individual, a family, a friend, a church and/or a community, we should support each human to be helped, heard, seen, and witnessed.

We are so GRATEFUL for those that ask to hear our stories, for those who faithfully pray for us as our pages continue to be written, and we are GRATEFUL for those who generously support to meet our worldly needs. We are also GRATEFUL for those who choose to share and advocate on our behalf for us to continue in faith to answer God's call to serve in the ministry of Called To More on the island of Hispaniola (Haiti & Dominican Republic). For all this and more, we say THANK YOU! None of what you do is 'little' in God's eyes. The Lord sees and knows your story with all of your imperfections, struggles, mountain tops, and waitings. AND the Lord also knows each of the ways in which you have been faithful to your call and in your ministry.

## WILL YOU ACCEPT THE CHALLENGE?

Wouldn't it be great to keep the Operation Christmas Child spirit going all year long? We can! It's simple. It's convenient, and it's relatively painless! All you do is set your mind up to build online boxes each month all year long! They only cost \$25 (the price of one meal out or a few treats at the movie) and you don't even have to shop or pack the box!

Think about it. Would you truly miss \$25 each month? I know I spend that much on silly things, things that don't last, all the time. The impact of these boxes is eternal.

So, I challenge you to join me this year in sending at least one box each month. Use this QR code or the link on the church website to get started. ~KAMI (As of 5/27, as a church we have done 31 boxes towards the 2025 goal of 100 boxes; can we do even more?)
